scientific observations reflect these ancient concepts The core magical properties of each Element Earth Air Fire Water and Spirit and how we are personally influenced by these energies Ways of attuning with individual Elements for enhanced living and magical practice Elemental relationships with deities elemental beings and spirit animals An overview of Wiccan ritual with a focus on the Elements including altar layout casting the circle and calling the quarters Techniques and magical practices for working with individual Elements Spells rituals and charms focused on each individual Element In addition you ll find tables of correspondence covering the magical properties of each Element as well as associated colors spell ingredients ritual tools and more at the end of the guide Elemental Magic will be a treasured reference magical guide and springboard for you to make your own discoveries about the power of the Elements and the magic they have to offer Scroll to the top of the page select the Buy button and receive an exclusive free eBook
