Preparing the Bride of Christ Alex Delpercio, 2014-03 Warning Do not read this book if you are not willing to be changed by the Lord This book uncovers the hidden truth of the preparation of the bride of Christ The message in this book is to help the Christian see some of the necessary elements the Lord uses in preparation for the marriage This teaching is based on Ephesians 5 27 That He Jesus might present it to himself a glorious church not having spot or wrinkle as well as other places in the Bible where this truth is concealed If this teaching is received the heart of the individual Christian will be open to the Lord enabling him to enter the process of preparation which is necessary for the union with Jesus Christ I know it is the earnest desire of the author that as you read this book you would find that pearl of great value that remains hidden until found by a seeking and hungry heart James Parnell Teacher at Cornerstone Bible Center Preparing the Bride of Christ for His Return Janet Van Hierden, 2014-01-24 I pray that this great book will be placed in the hands of thousands of men and women across the globe Spiritual authority and hearing the voice of God is so ably articulated that even the new Christian will be armed and equipped to identify and recognize these challenges when they arise Dr Graham Power Power Group

Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book
