Smith, 2019-11-22 Six Classic Science Fiction Stories from the Golden Age by George H Smith Featured stories The Last Days Of L A Benefactor Narakan Rifles About Face The Ordeal Of Colonel Johns The Last Crusade Witness **The Last Days of Publishing** Tom Engelhardt, 2005-09-21 Pompeii never had it so bad Rick Koppes knows a world is ending The only question is will he end with it An editor at Byzantium Press for the last quarter century he has watched his small classy publishing house get gobbled up first by an American publishing giant and then by Multimedia Entertainment the Hollywood wing of Bruno Hindemann s German media empire His editing colleagues are being downsized his authors axed and in a world where the cultural wallpaper is screaming he himself hangs on by a fingernail the latest work of his sole best selling author pop psychologist Walter Groth is racing off bookstore shelves And that s just where his problems begin after all Multimedia is about to make his ex wife a publishing executive at another house his boss his assistant wants his authors and a woman who claims her father dropped the bomb on Nagasaki insists he publish her woeful memoir Koppes who came of age in the sixties is an editor slowly running off the rails In the six episodes of The Last Days of Publishing he refights the Vietnam War in a Chinese restaurant discovers that the paleontological is political in a natural history museum mixes it up with a flamboyant literary agent who went underground decades earlier and encounters a hippie cultural oligarch on the forty fifth floor of Multimedia s transnational entertainment headquarters Tom Engelhardt himself a publishing veteran has produced a tumultuous vision of the new world in which the word finds itself hustling for a living By turns hilarious sardonic and poignant his novel deftly captures the ways in which publishing which has long put our world between covers but has seldom been memorialized in fiction is being transformed The Final Days of Howard Hughes Christopher John Jenner, 2015-03-06 This stunning expose attempts to blow the lid off the decades old case of the death of Howard Hughes playboy movie maker aviator and businessman alleging a murder and takeover conspiracy orchestrated by the very company designated to care for an aging Hughes The Final Days of Howard Hughes exposes Summa Corp Syndicate s efforts to siphon off the wealth of The Man and cover up their neglect malfeasance and murder with a very detailed Plan of action all exposed within **The Last Days of Cleveland** John Stark Bellamy, 2010 6 in this Cleveland crime and disaster series includes 15 stories Sometimes gruesome often surprising these tales are meticulously researched and delivered in a literate and entertaining style Meet a daring Jazz Age stick up man a murderous grandmother an ageless fire chief addicted to profanity and other unforgettable characters **The DD Group** David Marshall, 2005-03 I am told that the first two names I recognized as a child were President Eisenhower and Marilyn Monroe Hopefully for my parents sake this was after I understood who Mama and Daddy were To be truthful I m not at all certain By the time the newsman interrupted my cartoons on Sunday morning August 5 1962 to tell me that Marilyn Monroe had been found dead of an overdose at the age of 36 she had become such a natural part of my daily life that I could not quite grasp

the concept of a world where she was not still out there going about her surely incredible life To even begin to attempt to understand that someone as big as Marilyn Monroe could actually die threw my seven year old brain into serious philosophical doubt I kept a close watch on my parents my teachers even my close friends The way I saw it if Marilyn Monroe could die everyone was up for grabs author David Marshall from the introduction to *The DD Group An Online Investigation Into the Death of Marilyn Monroe* **The End... Prophetic Insights into the Last Days** Alison Brown, 2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days **The Last Days of Pompeii** Victoria C. Gardner Coates, Kenneth D. S. Lapatin, Jon L. Seydl, Cleveland Museum of Art, Musée national des beaux-arts du Québec, 2012 Destroyed yet paradoxically preserved by the eruption of Mount Vesuvius in A D 79 Pompeii and other nearby sites are usually considered places where we can most directly experience the daily lives of ancient Romans Rather than present these sites as windows to the past however the authors of *The Last Days of Pompeii* *Decadence* *Apocalypse* *Resurrection* explore Pompeii as a modern obsession in which the Vesuvian sites function as mirrors of the present Through cultural appropriation and projection outstanding visual and literary artists of the last three centuries have made the ancient catastrophe their own expressing contemporary concerns in diverse media from paintings prints and sculpture to theatrical performances photography and film This lavishly illustrated volume featuring the works of artists such as Piranesi Fragonard Kaufmann Ingres Chassériau and Alma Tadema as well as Duchamp Dal Rothko Rauschenberg and Warhol surveys the legacy of Pompeii in the modern imagination under the three overarching rubrics of decadence apocalypse and resurrection *Decadence* investigates the perception of Pompeii as a site of impending and well deserved doom due to the excesses of the ancient Romans such as paganism licentiousness greed gluttony and violence The catastrophic demise of the Vesuvian sites has become inexorably linked with the understanding of antiquity turning Pompeii into a fundamental allegory for Apocalypse to which all subsequent disasters natural or man made are related from the San Francisco earthquake of 1906 to Hiroshima Nagasaki 9 11 and Hurricane Katrina *Resurrection* examines how Pompeii and the Vesuvian cities have been reincarnated in modern guise through both scientific archaeology and fantasy as each successive cultural reality superimposed its values and ideas on the distant past An exhibition of the same name will be on view at the Getty Villa from September 12 2012 through January 7 2013 at the Cleveland Museum of Art from February 24 through May 19 2013 and at the Musée national des beaux arts du Québec from June 13 through November 8 2013 [In These Last Days](#) Paul David Cook, 2004-01-21 Spending over seven years in research around the world Mr Cook has sought to answer the question Could we be in the last days according to biblical prophecy By careful examination of the following thirteen biblical prophecies Increase of False Prophets Religious Compromise in the Church Increase in Crime Disregarding God's Law Continuation of Wars Famines Earthquakes and Diseases Decrease in Love and

Family Affection Persecution of God's People and the Gospel to be Preached in every Nation and lastly the Holy Spirit will be poured out on God's people Mr Cook has clearly shown that these prophecies have been accelerated now as never before

The Last Days of the Late Great United States Richard Pawley, 2009-06 For thousands of years money was real usually gold or silver until the Chinese invented paper money to replace real money They however had such a bad time with it with so many losing everything time and time again that it had been outlawed in China for more than a generation before western bankers thought up the idea and convinced King William in 1694 to replace the gold and silver and copper that Englishmen used with their newly printed paper Thus began a grand experiment that may soon come to an end The use of paper money and a debt based economy once known as colonialism or imperialism then capitalism now called globalization may soon be grinding down to a halt as nations around the world try to keep up with the United States in their printing of money Because of derivatives everyone owes everyone else many times more money than the worth of the entire planet The Kings of this Banker's Kingdom are killing the golden goose of taxpayers who have been supporting their lavish lifestyle for generations So entitled are these super rich that they see nothing wrong with goosing the taxpayers of the world for whatever they want The United States and indeed the nations of the world exist for their benefit If you understand this then so much of what goes on in the world becomes understandable but even they are going to grievously suffer in the near future Everyone is going to be affected The Book of Revelation the last book in the Bible refers to what I believe will be a banking world dictatorship which will require all citizens of earth to carry the world leader's mark micro chip or micro computer in their right hands or forehead in order to buy or sell anything It specifically says that this will be required of even a king which in today's parlance would also include prime ministers and presidents Also Interesting is the mention that this mostly One World Government will be controlled from Babylon Iraq Much will have to happen to bring all this about but events happening right now seem to be leading in that direction Unfortunately fewer and fewer people seem to believe the truths of the Bible or to heed its warnings Even with the discovery in the late 20th Century of an actual code hidden within the ancient Hebrew text and accessible only by computer a code which seems to contain much of the future existence on this planet scoffers still tend to look on the Bible as merely history or worse yet myth We truly live in interesting times and they are going to get incredibly more interesting very soon We have already passed the tipping point but only a few see it Even with the advice in this book your life is going to be greatly different in less than a decade perhaps by next year Ignore this book entirely and there is a much higher probability that you will be one of the victims of The Last Days of The Late Great United States

Spirit of the Last Days Peter Althouse, 2003-10-01 Early Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This book proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early

Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope

The Last Days of the Schooner America David Gendell, 2024-08-06 The history of the famous vessel from her design build and early racing career through her lesser known Civil War service and the never before told story of her final days on the ground at Annapolis The America s story is set against a vivid picture of the entrepreneurial forces behind the fast focused rise of the Annapolis Yacht Yard as the United States enters WWII

Last Days at Hot Slit Andrea Dworkin, 2019-03-05 Selections from the work of radical feminist author Andrea Dworkin famous for her antipornography stance and role in the feminist sex wars of the 1980s Radical feminist author Andrea Dworkin was a caricature of misandrist extremism in the popular imagination and a polarizing figure within the women s movement infamous for her antipornography stance and her role in the feminist sex wars of the 1980s She still looms large in feminist demands for sexual freedom evoked as a censorial demagogue more than a

decade after her death Among the very first writers to use her own experiences of rape and battery in a revolutionary analysis of male supremacy Dworkin was a philosopher outside and against the academy who wrote with a singular apocalyptic urgency Last Days at Hot Slit brings together selections from Dworkin's work both fiction and nonfiction with the aim of putting the contentious positions she's best known for in dialogue with her literary oeuvre The collection charts her path from the militant primer Woman Hating 1974 to the formally complex polemics of Pornography 1979 and Intercourse 1987 and the raw experimentalism of her final novel Mercy 1990 It also includes Goodbye to All This 1983 a scathing chapter from an unpublished manuscript that calls out her feminist adversaries and My Suicide 1999 a despairing long form essay found on her hard drive after her death in 2005 [Hollywood Death and Scandal Sites](#) E.J. Fleming, 2015-09-30 For more than a century people have been drawn to sites of tragedy involving the rich beautiful and notorious of Hollywood Tourists at the center of the movie universe flock to Rudolph Valentino's grave the house where Marilyn Monroe died the O.J. murders condo the hotel where John Belushi overdosed a myriad of haunted mansions In its extensively researched and enlarged second edition this book tells the stories of these locations and makes finding them simple Seventeen driving tours include more than 650 sites Each tour covers a specific area from Hollywood and the Sunset Strip to Brentwood and Malibu covering the entire Los Angeles basin Concise easy to follow directions are given to each location with 145 photos and the fascinating story behind each stop **Chronicles of Old Los Angeles** James Roman, 2015-03-01 There's more to Los Angeles than lights camera action From the city's early devilish days populated by missionaries robber barons oil wells and orange groves Chronicles of Old Los Angeles explains how the Wild West became the Left Coast Learn how Alta California became the 31st state and how ethnic waves built Los Angeles from Native Americans to Spaniards Latinos and Asians followed by gangsters surfers architects and the Hollywood pioneers who brought fame to the City of the Angels Then discover the city yourself with six guided walking driving tours of LA's historic neighborhoods profusely illustrated with color photographs and period maps **Congressional Record** United States. Congress, 1944 [Pat Nixon](#) Mary C. Brennan, 2023-08-18 Pat Nixon may be the least understood of modern first ladies Although public opinion polls rated her one of our nation's most admired women few Americans really knew much about her This first scholarly biography of Thelma Ryan Nixon the first biography in thirty five years and the first to access her papers goes further than any other book to show readers the real Pat Nixon Lester David's The Lonely Lady of San Clemente painted her as a tragic figure while Julie Nixon Eisenhower's adoring Pat Nixon The Untold Story fell short of offering an objective portrait Now Mary Brennan moves beyond the oversimplified appraisals of this neglected first lady to provide a powerful study of a complex and fascinating presidential spouse Drawing on Mrs Nixon's recently opened papers as well as on recollections of both friends and adversaries Brennan debunks the myth of Plastic Pat and fleshes out the real woman behind the stories and stereotypes The Nixons had more in common with small town Americans than with Washington society and Brennan shows that part of Pat's difficulty in dealing with the political world

was that she never quite left the normal Pat behind Political and social upheaval during her husband's presidency further complicated her role as first lady as she had to confront a shifting cultural terrain with the whole world watching Brennan emphasizes Pat's activism the first presidential wife to serve as official government representative as well as the most traveled and examines her complicated relationship with her husband Often seen as a good soldier Pat in reality engaged in constant warfare with her husband and his advisers as she tried to protect her own schedule from interference from the West Wing Blending empathy and objectivity Brennan shows that Pat Nixon was a strong woman caught up in circumstances beyond her control who did as her ancestors had done gritted her teeth and got the job done as best she could This account of an embattled first lady opens a new window on the Nixon years and finally allows Pat Nixon to take center stage in her own life
