**SCM Core Text: The Book of Revelation** Simon Woodman,2013-01-25 For most people Revelation is a book that is either largely ignored or it is the object of such fanatical study and fanciful interpretation that it passes from the realm of the interesting and helpful into the realm of fantasy and speculation Much literature has been published in recent years on its

interpretation some of which is scholarly and technical and some of which is populist and accessible The problem is that the technical and scholarly material frequently requires careful and detailed study combined with an advanced level of knowledge whereas much of the populist material tends toward the fanatical and fanciful The aim of this book is to bridge this gap It is written with second and third year university students in mind and would also be helpful for pastors and those in local churches who want to take seriously their study of this often needlessly confusing biblical book The Ministry, Vol. 04, No. 05 Various Authors, 1999-06-01 In this issue of The Ministry we present the last of the series of The Way to Bear Fruit In this message Brother Lee shows us the practical way to continue our fruit bearing with newly saved ones to help them to consecrate themselves realize the all inclusive Spirit exercise their spirit read the Word enter practically into the Body fellowship with all the members and begin to bear fruit themselves Brother Lee reminds us that we are on the earth for the spreading of the Lord the spreading and enlargement of His kingdom by the way of fruit bearing This is the main part of our Christian living and our commission on this earth To this end his unique burden was that we abandon the expectation of a big revival which is in our blood from our traditional background and become small seeds and small branches bearing fruit by personal contact with people The next three messages are the conclusion of the Crystallization study of Revelation given in the summer training of 1999 Message Ten shows us the vision of world history from Christ's ascension to the end of this age and the prayer of the martyred saints for the carrying out of God's economy Message Eleven presents two crystals Christ as another Angel and the finishing of the mystery of God In the book of Revelation Christ is called another Angel the unique special Angel because He is the One sent by God to carry out His economy Message Twelve brings clearly into view that God is recovering His right over the earth to make the whole earth His kingdom This kingdom is Christ Himself the Triune God in humanity Col 2 9 is the seed the gene of the kingdom of God to be sown into God's chosen people that He might grow in them live in them and be expressed from within them to develop into God's ruling realm Mark 4 26 29 1 Cor 3 9 Last of all we include reports concerning the Lord s move in Russia India and Mexico
