The Lazy Runner:

Lazy Runner Laura Fountain,2012-12-18 The Lazy Runner follows Laura Fountain from starting out as a novice runner unfit clueless about running and incredibly lazy to finishing her first marathon and beyond At first unable to run 400 meters without stopping Laura has now completed five marathons the most recent in under four hours Along the way Laura learns countless lessons about running most of them the hard way But most importantly this self confessed couch potato learns to love running As well as offering inspiration and motivation to get out there and run her book offers tips on how to make running easier and more enjoyable Offering practical information on buying the right kit choosing the best race and what to do on race day it also tackles the important running questions you might be embarrassed to ask like when will it get easier And what happens if I need the toilet Lazy Runner Marie Bean,2015-02-11 Marie Bean is the original Lazy Runner she has been a runner for 25 years and has coached runners for the past seven years As a running coach she has answered countless questions from runners across Australia and the world she threw her hands in the air and thought that s it I need to write a book on how to run the Lazy Runner way Back cover The Runner Cynthia Voigt,2013-01-15 You can run from something or toward something but can you do both at the same time Book four in the Newbery winning cycle from Cynthia Voigt Bullet Tillerman runs He runs to escape the criticism of his harsh unforgiving father He runs to numb the pain of his mother s inability to express her love He is the star of the school track team but he isn t a team man and doesn t want to be Bullet runs for himself So Bullet doesn t understand why he s been asked to train a new team member and he s not looking forward to the task But in coaching Tamer Shipp Bullet learns some things about himself who he is and who he can perhaps become Rugby For Dummies Mathew Brown,Patrick Guthrie,Greg Growden,2007-10-12 Fully revised and updated with the latest rugby information For every rugby enthusiast at every level of interest Whether you re new to rugby or a scrum veteran this friendly guide is for you Inside you ll find easy to understand explanations of the rules and positions plus in depth lessons on skills fitness training and winning techniques Add in entertaining stories from rugby in North America and around the world and you ve got the definitive book on rugby Explanations in plain English Get in get out information Icons and other navigational aids Tear out cheat sheet Top ten lists A dash of humor and fun Discover how to Master rugby s basic rules Devise winning strategies as a player or a team Appreciate rugby s colorful history Understand the game at local national and international levels Get smart www dummies com Find listings of all our books Choose from many different subject categories Sign up for eTips at etips dummies com **The Runner** David Samuels,2012-03-05 The Runner tells the remarkable true story of a teenage drifter and petty thief named James Hogue who woke up one cold winter morning in a storage shed in Utah and decided to start his life anew Re imagining himself as a self educated ranch hand named Alexi Indris Santana who read Plato under the stars and could run a mile in under four minutes Hogue applied and was accepted to Princeton University where he excelled academically made the track team and became a member of the elite Ivy Club

Echoing both *The Great Gatsby* and *The Talented Mr Ripley* the story of Hogue's life before and after he went to Princeton is both an immensely affecting portrait of a dreamer and a striking indictment of the Ivy League meritocracy to which Hogue wanted so badly to belong Drawing elegant parallels between Hogue's ambitions and the American myth of self invention while also examining his own uneasy identification with his troubled subject David Samuels has fashioned a powerful metaphor for the corruptions of the American dream revealing exceptional gifts as a reporter and literary stylist *The Runner's High* Garth Battista, 2014-06-12 The runner's high is a marvelous side effect of running though mysterious and elusive Sometimes you get it usually you don't These forty seven personal stories explore it in depth and detail from euphoria to religious visions and mindblowing out of body experiences One constant through these stories is an overwhelming sense of joy and awe at the infinite possibilities of the human body and soul A man experiences a joyful downhill run as pure flight unhindered freefall One woman finds that breathing during running is an act of prayer A runner on a tropical beach finds her surroundings metamorphosing surreally before her eyes One man out on his daily run experiences a flash of utter peace and universal clarity a moment that he later realizes occurred at precisely the time his father passed away The runner's high leads one man onward to find an even higher power true honest love And the ultimate story is from a man in a maximum security prison who during his runs in his tiny concrete cell finds himself beyond all walls and iron bars This dazzling celebration of running as a spiritual experience will inspire people of all abilities to explore the metaphysical side of running

More Than a Runner's High Sherri Edwards and Lisa Schafer, 2015-10-23 Some runners and other athletes have experienced a feeling of total wellness and sense of euphoria after engaging in intense physical activity This feeling has come to be known as runners high What is this runners high and how can we experience more than a runners high Psychologically runners may experience euphoria a feeling of being invincible a reduced state of discomfort or pain and even a loss in sense of time while running says Jesse Pittsley PhD president of the American Society for Exercise Physiologists *The Ultimate Press Release Swipe File: 50 Templates That You Can Use to Get Your Business Media Exposure Today* Pete
