The Life We Claim The Apostles Creed For Preaching Teaching:

The Life We Claim Rev. James C. Howell, 2011-07-01 Using the Apostles Creed as the primary text this book explores what we believe as Christians and how those beliefs are relevant today The author's goal is to help pastors educate and transform members of their congregations He examines the Creed phrase by phrase in brief sections suitable for congregational study or for emailing to the congregation For each phrase in the Creed a deeper reflection provides material for preaching a 13 sermon series or for further congregational study A detailed appendix includes recommendations of hymns and songs related to each phrase in the Creed the suggestions are keyed to several hymnals and songbooks **Fallen faith:**

Revisiting the Impact of The Apostles Creed on Modern Society Nellis Janse van Rensburg, 2024-07-09 Have you ever wondered about the impact of ancient religious beliefs on modern society *Fallen Faith: Revisiting the Impact of the Apostles Creed on Modern Society* delves into the relevance of the Apostles Creed in today's world This book explores how the Creed has shaped the beliefs values and behaviour of individuals and communities It examines how the Creed has been a unifying force connecting generations and cultures through a shared faith Whether you are a devout follower or simply curious about the role of religion in society this book offers a thought provoking look at the enduring influence of ancient beliefs in the modern world *The Apostles' Creed for Today* Justo L. González, 2007-01-01 This volume in the popular For Today series

written by the highly respected theologian and author Justo González explains the familiar Apostles Creed in easy accessible language González explores not only what the Creed meant in the early centuries but also its ongoing importance and relevance for Christian faith and practice today The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use **Conversations with St. Francis** Rev. James C. Howell, 2008-05-01 If you

were able to talk to St Francis of Assisi what would you ask him Perhaps says James Howell the first question I'd want to ask Francis would be something like this How did you do it Were you real How much of your story really happened And I'm asking because I am wondering how I might do it could I somehow grab a share of the life you had The marvel in Francis's story is that all he did seems entirely doable but then at the same time ridiculously impossible As I survey the bare facts of his life it all seems so manageably simple and yet unquestionably what happened was nothing short of miraculous In this spiritually apt look at the life message and meaning of St Francis Howell invites all of us to pose our most difficult spiritual questions to the saint and to listen for the questions he asks of us in response **A Thematic Access-Oriented**

Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the

resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Beauty of the Word James C. Preaching and Professing Ralph C. Wood, 2009-01-30 Testifies to the presence of God as both our post earthly hope and our present world existence These thought provoking sermons by Ralph Wood a layman who has taught religion and literature for many years seek to till new soil in the fertile field of Christian faith and life They draw on a wide range of reading not only in Christian theology but also in both classical and contemporary literature and culture And they also mine Wood s own professorial and personal experience in dealing with both the old and the young amid the chances and changes of life Wood squarely engages the American culture of death by wrestling with such vexing questions as sexuality and marriage war and peace abortion racial injustice and abuse of the elderly By grounding his homilies in specific times places and quandaries Wood demonstrates that Christianity remains a vigorous set of doctrines and morals precisely as preaching and ethics give shape to our worship and living in the here and now Focusing not so much on our getting to heaven Wood s Preaching and Professing shows concretely how the gospel gets heaven into us

Isaac, 2022-10-18 Quite often theology and spirituality are separated pursued without reference to the other a classic example of the disjunction between head and heart But in Luther we find a profound theologian exhibiting a profound spirituality one that still speaks to us today Luther sets out three rules for doing proper theology oratio meditatio tentatio or prayer meditation and spiritual trial These three rules derived from David the psalmist provide a way for readers to investigate more thoroughly what Luther says about the important practice of theology or life in the Spirit But they also serve as a simple way for Christians to live a fuller spiritual life The intention of this book is to help readers enter into the world of Luther the Augustinian monk and Reformer who prays meditates and suffers spiritual trial within the community of faith that extends over the centuries Ever the teacher and pastor himself Gordon Isaac invites readers into the reality of living a theology of the cross which helps make sense of our present struggles in this world and shows us how we can live in the love of God as revealed through Jesus Christ *The Nicene Creed* Jared Ortiz, Daniel A. Keating, 2024-04-23 Though the Nicene Creed is regularly recited in weekly church services few understand its historical origins and connections to Scripture and key Christian doctrines This volume bridges the gap providing an
