wizards of Unseen University must win a football match without using magic so they're in the mood for trying everything else. To do this they recruit an unlikely group of players: Trev, a street urchin with a talent for kicking a tin can; Glenda, the night chef who makes a mean pie; Juliet, the kitchen hand turned world's greatest fashion model; and the mysterious Mr Nutt, who has something powerful and dark locked away inside him. And the thing about football, the important thing about football, is that it is not just about football. Here we go, here we go, here we go. This isn't just football, it's Discworld football. Or to borrow another phrase, it's about life, the Universe, and everything. The Times. No one mixes the fantastical and the mundane to better comic effect. Daily Mail.
