The Light Within A Winter S Tale:

Welcome to the Anthropocene Alice Major,2018-03-21 Alice Major observes the comedy and the tragedy of this human dominated moment on Earth Major s most persistent question Where do we fit in the universe is made more urgent by the ecological calamity of human driven climate change Her poetry leads us to question human hierarchies loyalties and consciousness and challenges us to find some humility in our overblown sense of our cosmic significance Now welcome to the Anthropocene you battered tilting globe Still you gleam a blue pearl on the necklace of the planets This home Clouds oceans life forms span it from pole to pole within a peel of air as thin as lace lapped round an apple Fair and fragile bounded sphere yet strangely tough this world that life could never love enough And yet its loving care has been entrusted to a feckless species more invested in the partial while the total goes unnoticed from Welcome to the Anthropocene **Sensing Greek**

Drama Zachary Case,Marcus Ellis,Antonia Marie Reinke,2023-08-01 Sensing Greek Drama explores ancient Greek tragedy and comedy through the lens of the senses It works within and beyond a number of recent developments in the scholarship of Classics and related fields The individual chapters engage with the senses in drama in manifold ways through various theoretical frameworks borrowed from kindred fields in the humanities and sciences postmodernism humanism feminism phenomenology cognitive theory and neuroscience to name a few as well as through the more traditional approaches within Classics including philology historicism performance studies and reception Above all Sensing Greek Drama serves as a call to to recover our senses as Susan Sontag wrote in her famous essay Against Interpretation in a modern age characterized by sensory overload and deprivation **The Complete Concordance to Shakspere** Mary Cowden Clarke,1860 In the

Light of Christ Lucy Beckett,2010-10-21 The good the true and the beautiful it is for these that our souls long Though they reside in unity and perfection in God alone the written word is one place we can discover glimmers of divine light The writings of great souls can turn our gaze toward God as he is revealed in Jesus Christ Even authors who do not know Christ or who reject Christ can still point to him for anyone who seeks the truth finds it and any one who turns his back on the truth turns away from a someone whose presence can often be more keenly felt in his absence In this volume Lucy Beckett illuminates some of the finest writings in the Western tradition and trains our eye to discover in them the Christian vision of God She masterfully guides us through Sophocles Plato Augustine Dante Shakespeare Dostoyevsky and many others deftly demonstrating each author s worth as a bearer of truth *The Complete Concordance to Shakespeare* Mary Cowden

Clarke,1878 The Dramatic Works of William Shakespeare William Shakespeare,1817 **The Works of William Shakespeare** William Shakespeare,1810 The Seven Basic Plots Christopher Booker,2019-09-17 In this work the author proposes his thesis about the nature of storytelling showing that there are a number of basic themes which continually reappear in the storytelling of mankind shaping tales of very different kinds A Theatre of Envy René Girard,2000 In this groundbreaking work a foremost literary and cultural critic turns to the major figure in English literature William

Shakespeare and proposes a dramatic new way of reading and performing his works The key to A Theatre of Envy is Ren Girard's original expression and application of what he calls Mimetic Theory For Girard people desire according to the desires of others He sees this as fundamental to the human condition and works out its implications in a most convincing and ultimately easily comprehensible way Bringing his insights to bear on Shakespeare Girard reveals the previously overlooked coherence of problem plays like Troilus and Cressida and makes a convincing argument for elevating A Midsummer Night's Dream from the status of entertaining chaotic comedy to a profound and original commentary on the human condition Shakespeare transforms the crude literary form of revenge tragedy into a profound and prophetic unmasking of violence even more relevant today than in his time Throughout this impressively sustained reading of Shakespeare Girard's prose is sophisticated enough for the academic as well as being accessible to the general reader Anyone interested in literature anthropology psychology and particularly theology as relevant to the overriding contemporary problems of violence in all its forms will want to read this challenging book All those involved in theatrical productions and performance will find A Theatre of Envy full of exciting and practical ideas In its enormous breathtaking scope Ren Girard's work suggests the projects of those 19th century intellectual giants Hegel Marx Nietzsche and Freud who still cast such long shadows today By contrast contemporary criticism seems paltry and fainthearted Comparative Literature Ren Girard was born in Avignon read cultural history in Paris and in 1947 went to the USA where he has for the last 50 years held a number of prestigious academic posts He has written more than half a dozen books best known of which are Violence and the Sacred The Scapegoat and Things Hidden Since the Foundation of the World he has also been featured in many interviews and magazine articles His Martin D Arcy Lecture Victims Violence and Christianity delivered in Oxford in November 1997 aroused the enthusiastic interest of a wide variety of British experts in many fields as well as those involved in the wider and increasingly significant world of contemporary spirituality in all its popular and peremptory expressions While not giving a naive answer Ren Girard does provide a profound and practical way to unmask violence not only in Shakespeare's world but in our own

Suffering in Anglophone Literatures Martina Domines, Charles I. Armstrong, 2024-10-15 *Suffering in Anglophone Literatures* engages with postclassical Trauma Studies and opens the traumatic envelope to embrace concepts such as toleration mourning nostalgia vulnerability and existential Angst The first section explores insomnia in Shakespeare testimonial suffering in Richardson nostalgia in Clare work as a form of suffering in Tennyson and pleasurable suffering in Trollope The second section deals with suffering as expressed in blues by August Wilson intergenerational healing by Rosanna Deerchild systemic pain in war fiction from World War One to the Vietnam War personal and historical nostalgia by John Banville and literary non commitment to suffering by Joyce and Philip Kerr The final section turns to more recent literary texts ranging from the poetry of Derek Mahon Philip Metres and Solmaz Sharif to novels on intergenerational trauma by Kate Morton the sexual abuse of women by Miriam Toews and growing up in poverty by Douglas Stuart
