The Lion Never Sleeps Preparing Those You Love:

The Lion Never Sleeps ,2014-01-25 In this gripping account of the power savvy and determination of the lion author Mike Taliaferro brings to life the biblical analogy of Satan as a roaring lion looking for someone to devour To say that Mike will wake you up is putting it mildly He will shock you frighten you and help you understand the might of your enemy But he will not leave you in fear He clearly shows God s plan for defeating the enemy who wants to prey on you and on those you love and lead This book will not take long to read but it will change you forever **The Lion Never Sleeps** Mike

Taliaferro,1996-02 *Bible Studies from an Asshole* Ray Cabron,2016-12-14 Dear Christianity Look I know you meant well and I know you did the best you could but I think it s time that we have an intervention You ve been getting it all wrong I don t just mean the thing with being self righteous and not feeding the hungry or caring for the misfortunate Although that s certainly a part of it No It s more than that It s much more And I know you prefer everything to be nice and for there to be only clean language That s part of the problem too You see your failure is so bad that I can t help but use bad words So if you kindly would please give this a read I promise you ll learn a lot about your Bible you did not know and you ll never see your faith the same way ever again And maybe then you can get it right for a change From the author of the blog Bible Studies from an Asshole comes this humorous heartfelt and outrageously honest and eye opening work The Christian faith may never be the same again Lion's Mentality Freida Denise Cardwell,2022-10-06 Have you ever dreamed of doing great things for the Lord Did you have great dreams when you were younger but somehow the ordinary demands of life got in the way and you just find yourself barely getting through the day You have always believed that God has a great purpose for you but what is it You have been taught everyone has spiritual gifts but for the life of you you don t think you have any Spoiler alert If you are God s child he has given you at least one spiritual gift possibly more Do you hear these voices in your head that you aren t good enough smart enough just not enough These voices are coming from the devil This book will help you get inside your head and help guide you to the mind of God It will show you how to take every thought captive and live the abundant life Christ died for You are an overcomer The living God of the universe created you to do even greater things than these Stop listening to negative thoughts and start living and fulfilling God s perfect purposes for you You are a child of the living God of the universe Why is the lion the king of the jungle It s his mentality God has given you the power to live out this mentality The lion has no fear and neither should you as a child of God There is no predator that God will not give you the power for success Embrace this mentality it is one of courage strength perseverance determination and to know and believe that God can do anything through you The Power is in our mentality it s limitless Do you believe in what God is saying to you I can do all things through Christ who gives me strength The Next Day Tim Leiphart,2011-10-05 Is it possible to spend an entire lifetime running as hard as you can only to look up sweaty and panting and find that youve barely left the starting line Its very easy to get off track without the clear and steady voice of God directing and guiding you to the finish But what does

Gods voice sound like What is He saying Where is He leading God speaks into the everyday life of the Christian and the language He uses doesnt require a seminary degree or a position on the church staff for understanding God asks only for eyes to see and ears to hear Fishermen and tax collectors learned many of their most valuable lessons when they followed Jesus out of the synagogues and into the streets marketplaces hillsides and seas to discover how God still speaks Lets join the conversation

Love and Health Jerry L. Ainsworth,2006 Love and Health is a classic account of good triumphing over evil of being given a lemon and making lemonade It is an intimate sharing of a success story that started with anger and ended in love Indeed it is the tale of a personal defeat that developed into a program of love so timely and unique that for one bright shining moment it profoundly changed a university and a hospital and the people who worked there Dr Jerry Ainsworth was an administrator at his university when he became embroiled in a conflict with his administration The battle became so intense and hostile that he was relieved of his administrative post and assigned a menial punitive position This dismissal angered him to such a degree that he started a movement to oust the president or if not to get rid of him at least to embarrass him or weaken him politically After months of seething with anger he developed a life threatening medical condition that doctors told him was a direct result of anger and could soon cause his death Astonished he delved into existing research literature to determine if anger could actually kill Not only did he learn that it could he was equally surprised to discover evidence confirming the healing effects of love and of similar positive emotions Dr Ainsworth immediately incorporated these findings into his own life alleviating all symptoms of anger and pioneering the development of an undergraduate college course on love and health Although colleagues were initially apprehensive apathetic and even pessimistic toward such an idea student reactions were exactly the opposite His classes were so successful that he started a graduate course along similar lines
