## **The Little A Spirit Filled Daily Devotional:**

The Spirit-Filled Small Group Joel Comiskey, 2009-11 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only God s supernatural power can draw people to the truth and liberate them to be all that God wants them to be Only through the Spirit s power can we expect to see the miracles that Jesus talked about when He said that if we would abide in Him we would bear much fruit and even do greater works than He did while He was on earth The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups relates to small group technique and only touches briefly on the Spirit s power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The book s first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts Small group facilitators often feel ill prepared to identify spiritual gifts of the people in the group I firmly believe that the small group atmosphere is the perfect place to develop the gifts of the Spirit in each member s life and so it is essential that the facilitator know how to do this Whatever denominational or non denominational label a church wears the most important characteristic in my opinion is promoting individual sensitivity devotion and dependence on the Holy Spirit In a Holy Spirit charged atmosphere cell leaders are best raised up and members are encouraged to minister in their giftedness This book has been written for those who are leading facilitating a small group participating in a small group or considering joining a small group Group members should read this book for two particular reasons First members make a significant contribution to the life of the cell Each member will be intimately involved in causing supernatural events to happen using the gifts intercession etc In the life of the group no one is to sit back and do nothing The best cell leaders in fact rarely lead the entire cell instead encouraging cell members to participate actively Second members are the next in line to actually lead the small group I am assuming that the readers of this book are believers who desire God and are seeking to walk in the Spirit I am also assuming that those reading this book are studying the Bible and growing in their relationships with the Lord There are many great books dedicated to defining each spiritual gift in detail Many other authors cover gifts beyond the scope of this book such as voluntary poverty hospitality celibacy missions exorcism martyrdom artistic creativity craftsmanship and music Rather than cover every possible gift this book will focus on how the Spirit uses gifts in the small group context and guides the leader to facilitate a Spirit filled group

Because this book is written to lay leadership rather than senior leaders of the Church I will not cover in detail the five fold offices that Paul mentioned in Ephesians 4 8 Instead the gifts I will cover in this book are explicitly listed in Scripture the one exception is intercessory prayer which I call a spiritual gift although some would disagree **The Little Book** ,2013-12-20 This 365 day devotional is not your typical devotional As disciples of Jesus we are called to know the mysteries of the Kingdom Mark 4 11 This devotional has been written to provide some answers to those that ask you of the hope within you I Peter 3 15 to provide a place for you to be instructed encouraged inspired blessed assured and an avenue for you to meet powerfully with the Lord Jesus every day of your life through His Word I dedicate this book to the body of Christ and particularly to the remnant all over the world who daily give themselves to the Word of God to studying it and walking it out to worshipping Him with passion and for their great desire to become true living disciples To that end this devotional has been written God bless you and may the Lord greet you every day as you open this book may it inspire you encourage you and strengthen you as it gives you fresh understanding of God s heart and His ways It was written with great love and affection for you and with absolute devotion to God the Father my Savior and Lord Jesus and the precious Comforter the Holy Spirit I now surrender this book into your hands and heart May God bless you as you read it Take it and eat it up Revelation 10 8 *The Little Book, Paperback* Samuel N. Greene,2013-12-20 This 365 day devotional is not your typical devotional As disciples of Jesus we are called to know the mysteries of the Kingdom Mark 4 11 This devotional has been written to provide some answers to those that ask you of the hope within you I Peter 3 15 to provide a place for you to be instructed encouraged inspired blessed assured and an avenue for you to meet powerfully with the Lord Jesus every day of your life through His Word I dedicate this book to the body of Christ and particularly to the remnant all over the world who daily give themselves to the Word of God to studying it and walking it out to worshipping Him with passion and for their great desire to become true living disciples To that end this devotional has been written God bless you and may the Lord greet you every day as you open this book may it inspire you encourage you and strengthen you as it gives you fresh understanding of God s heart and His ways It was written with great love and affection for you and with absolute devotion to God the Father my Savior and Lord Jesus and the precious Comforter the Holy Spirit I now surrender this book into your hands and heart May God bless you as you read it Take it and eat it up *A Grammar of Holy Mystery* Larry Hart,2023-03-10 *A Grammar of Holy Mystery* is about Christian spirituality It is about mysticism as a firsthand encounter with the presence of God unfathomable unnamable mysterious fulfilling It is about classical Christianity the way of transforming truth found in Christ taught in Scripture lived by saints sages and mystics and passed on as a sacred trust through the centuries Being neither liberal nor conservative but simply Christian it is ecumenical in spirit For those traumatized by harsh or shallow churches *A Grammar of Holy Mystery* points the way out and shows the way to a faith that renews the mind restores the spirit and gladdens the heart **Audio App Daily Devotion** Mearl La Gene Martin III,2015-10-09 Audio App Daily Devotional is the complete Bible We have

removed the verse numbers from the text itself which gives an almost poetic feel to the Scriptures as you read while maintaining the chapter and verse references ahead of each day's portion of Scripture. This enables you to reference and study the Scriptures in a more in-depth manner. Inside you will find an average of twenty-three New Testament verses, seven Psalms verses, three Proverbs verses, and fifty-five Old Testament verses per day. While I never recommend rushing through your time with our Lord, I felt it important to make each day's readings and portions as equal as possible, allowing you to set times throughout the day for reading in order to regroup or refocus on your task at hand. Look for and expect to hear from our Lord. Look for God to move in your life more and more as you draw closer to Him daily.
