

The Long Weekend

A close-up, low-angle shot of a woman lying down, her head tilted back and eyes closed. Her right hand is resting on her forehead, with fingers slightly spread. She has dark hair and is wearing a ring on her ring finger. The lighting is soft and focused on her face and hand, creating a serene and intimate atmosphere.

Shaw Gale K. Larson, 2001 SHAW 21 offers readers an eclectic perspective on Shaw his works and his contemporaries Basil Langton actor and director reminisces about his early development as an actor his meeting with Shaw and his career as director of many of Shaw's plays He focuses upon Shaw's stagecraft augmenting his views with those of Sybil Thorndike and Sir Lewis Casson whom he interviewed in 1960 Galen Goodwin Longstreth analyzes the correspondence between Shaw and Ellen Terry and argues that the exchange is itself a literary genre a dramatic performance that reveals their personal identities The next two contributors Stanley Weintraub and Andrea Adolph examine the Shaw Virginia Woolf relationship Weintraub focuses on those occasions when their respective lives touched each other what their feelings for each other were and how those occasions were obliquely woven into Shaw's plays most notably Heartbreak House Professor Adolph argues that in Woolf's only dramatic text Freshwater A Comedy she was conforming to the traditional theatrical mode of the day dominated of course by Shaw but that she subverted his traditional literary depiction of paternity as for example the paternity dramatized in Major Barbara Sidney Albert and Bernard Dukore provide unique perspectives on reading Major Barbara Albert shows how John Bunyan's The Pilgrim's Progress serves as Shaw's source for Barbara's progress toward enlightened understanding Dukore focusing on the perspective of the familial relationship within the play concludes that Shaw's dialectic gives the kids the future and not the dad It will be the next generation not Father Undershaft who will determine where society will go next Julie Sparks and Martin Bucco approach Shaw from a comparative basis juxtaposing him with two American writers contemporaries of Shaw Mark Twain and Sinclair Lewis respectively Sparks explores the commonality that exists in Shaw's and Twain's thinking about evolution namely their heretical visions of a post Darwinian Eden Both viewed conventional Christianity iconoclastically but both arrived at different conclusions about human origin and destiny a view Sparks describes as

emanating from the deist pessimist evolutionary determinist perspective versus the mystic optimistic creative evolutionist perspective or the Personal Godhead versus the Impersonal Force Professor Bucco enumerates the many references Sinclair Lewis makes to Bernard Shaw throughout his writings both prose and fiction to underscore the American novelist's admiration for the Irish playwright both recipients of the Nobel Prize for Literature The final two contributors to SHAW 21 Rodelle Weintraub and William Doan provide the readers with distinctive perspectives on John Bull's Other Island and The Doctor's Dilemma respectively Weintraub recasts the play into a dream sequence whereby Doyle's dream becomes an artifice for problem solving Implied within Father Keegan's lines in the play Every dream is a prophecy every jest is an earnest in the womb of Time is the resolution of Doyle's problem with Nora the girl he had left behind and of the dream of modernizing Roscullen Doan suggests that in The Doctor's Dilemma Shaw uses the idea of unconsummated adultery to argue for the efficacy of art over science In the conflict between the artist and the scientist the latter plans to have the artist's muse In the end not only is he deprived of the wife but also of the works of art themselves and the spirit that animates them SHAW 21 also includes three reviews of recent additions to Shavian scholarship as well as John R Pfeiffer's Continuing Checklist of Shaviana

In Steinbeck s Imaginarium Robert DeMott delves into the imaginative creative and sometimes neglected aspects of John Steinbeck s writing DeMott positions Steinbeck as a prophetic voice for today as much as he was for the Depression era 1930s as the essays explore the often unknown or unacknowledged elements of Steinbeck s artistic career that deserve closer attention He writes about the determining scientific influences such as quantum physics and ecology in Cannery Row and considers Steinbeck s addiction to writing through the lens of the extensive obsessive full length journals that he kept while writing

three of his best known novels *The Grapes of Wrath*, *The Wayward Bus* and *East of Eden*. DeMott insists that these monumental works of fiction all comprise important statements on his creative process and his theory of fiction writing. DeMott further blends his personal experience as a lifelong angler with a reading of several neglected fishing episodes in Steinbeck's work. Collectively the chapters illuminate John Steinbeck as a fully conscious, self-aware, literate experimental novelist whose talents will continue to warrant study and admiration for years to come.
