The Shinar Directive:

The Shinar Directive Michael Lake, 2015-02 The Shinar Directive serves as a kingdom intelligence briefing for God's people in the twenty first century On the ancient plains of Shinar an evil was born The first world king the prototype transhuman the ultimate despot the Son of Perdition Nimrod In Babylon the Son of Perdition devised the Shinar Directive the enslaving of humanity and the war against the God of Heaven God's intervention at the Tower of Babel only delayed his hellish plans The Luciferian elite now control three key circles of influence in the world financial political and religious However controlling these three systems was not enough The laborers of Mystery Babylon have been quietly planning and waiting for thousands of years for the releasing of the Watchers of Genesis 6 Now armed with developing Watcher technologies the Elite will use transhumanism and mind control to build the Joel chapter 2 army the army of the Antichrist We are beginning to realize that the mark of the Beast and the image of the Beast are much more than we could have ever imagined beyond an implant and beyond a physical mark they will affect DNA and who we are at a molecular level As the powers of Mystery Babylon gather to create the new Tower of Babel and prepare for the Son of Perdition's return Heaven is issuing a clarion call to the Remnant Know the strategies of the enemy untangle yourself from it and become the victorious Church Heaven's Jewish Apostle of Love John reveals the coming conflict in his book of Revelation and provides the ancient Hebraic wisdom encoded in 1 John to equip the bondservants of Messiah with the tools of the kingdom to overcome the Shinar Directive Publisher His Name Is Yeshua Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I've met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I've even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo **The Seed of the Woman and the Power of Darkness** Donbor Syiemlieh, There are so many questions

in our life that we could not get the satisfactory answers Why do fossils occurred why are human beings superior to other creatures why do human beings speak different languages what is the origin of idol worship how giants existed in this world in the ancient times who built huge structures like the Egyptian s pyramids how did people go and live in secluded islands in the midst of vast oceans since ancient times why didn t people invent modern machines and equipments since ancient times when human beings have no different brain structures why did powerful empires Egyptian Babylonian Persian Grecian Roman sequentially exist in this earth why are Christmas traditions celebrated fervently both in the Christian world and non Christian world When God saved me He gradually revealed the answers to the above questions directly and indirectly He then inspired me to write down the answers in the form of a Book which reflected God s love story to save fallen human beings In doing this the war broke out between God and the power of darkness Satan who tried to prevent the Seed of the Woman Jesus from being born into this earth In short Satan tried to enslave human beings and keep the world under his control forever But God s plan is superior to Satan s deceptive devices God s plan to bring back saved human beings to a perfect life as in the days of the Garden of Eden would soon be manifested any time now **The Isaiah Paper** Alexandra Carroll,2021-08-12 The Isaiah Paper ultimately reveals the extreme measure God used to retrieve one of his lost children A paper delivered to this child Alexandra from a friend warned her to turn back to the Lord from her rebellious life But she did not listen The verses from the Isaiah paper predicted exactly what would happen if Alexandra ignored the Lord s warning God used his Word from the book of Isaiah to get Alexandra s attention and teach her exactly what a personal relationship with Him really involves This story is a mindblower in the world of the supernatural and includes the often unaddressed subjects of demons angels of God the Nephilim and UFOs If you like Chuck Misseler LA Marzulli and Tom Horn s writings you will enjoy The Isaiah Paper If you like The Harbinger by Johnathon Cahn you will see the same issues of God s judgment in The Isaiah Paper [The Red Mark On God's Forehead](#) Rabbi Darryl Weinberg,2022-10-14 A book that will shake the modern day church to its core The Red Mark on God s Forehead trumpets the call to Christians to return to the true roots of their faith the worship of God as He commands in the Torah In an engaging and thought provoking manner Darryl Weinberg outlines the path Christianity has taken lured by pagan practices away from God s plan for His people and toward the crisis facing us in these end times The ultimate end of this journey is the denial of Messiah Himself From moving the Sabbath from Saturday to Sunday to its troubling involvement in festivals such as Easter Christmas Valentine s Day and Halloween the Church has grieved the heart of God splintered its own unity and engaged in a lifestyle abhorrent to the Lord Most shocking however is the thorough exploration of the outright anti Semitic sentiment particularly as expressed in the Church Fathers that led us to this point Through this troubling message however shines a light of great hope Our ever merciful loving God desires to draw us back to the true worship and lifestyle that brings us into fellowship with Him He is anxious to forgive and redeem and His Word contains all that is needed to serve and worship Him in spirit and in truth **Religion and Human**

Enhancement Tracy J. Trothen, Calvin Mercer, 2017-09-17 This collection vigorously addresses the religious implications of extreme human enhancement technology Topics covered include cutting edge themes such as moral enhancement common ground to both transhumanism and religion the meaning of death desire and transcendence and virtue ethics Radical enhancement programs advocated by transhumanists could arguably have a more profound impact than any other development in human history Reflecting a range of opinion about the desirability of extreme enhancement leading scholars in the field join with emerging scholars to foster enhanced conversation on these topics

The Changing Landscape of Global Financial Governance and the Role of Soft Law Friedl Weiss, Armin Kammel, 2015-05-26 The Changing Landscape of Global Financial Governance and the Role of Soft Law provides interdisciplinary perspectives on the changing landscape of global financial governance by exploring the impact and role of soft law directly or as a precursor of hard law pertaining to financial governance Since the shaping of financial governance impacts national regional and global levels of regulation different views and arguments contribute to the ongoing discussions about financial regulation Against this background this book brings together perspectives of economists and lawyers who have not rallied to one or the other popular call for more regulation as a panacea for the prevention of future global financial crises calls which have all but drowned out more nuanced scientific debates Instead their analysis of aspects of remedial regulatory policy prescriptions already made or proposed demonstrates that carefully designed soft law can be deployed as a valuable method or tool of mediation between the unrestrained autonomy of dysfunctional markets and overzealously crafted hard law

The Dawn of Agriculture and the Earliest States in Genesis 1-11 Natan Levy, 2023-11-29 This book invites a close textual encounter with the first 11 chapters of Genesis as an intimate drama of marginalised peoples wrestling with the rise of the world's first grain states in the Mesopotamian alluvium The initial 11 chapters of Genesis are often considered discordant and fragmentary despite being a story of beginnings within the context of the Bible Readers discover how these formative chapters cohere as a cross generational account of peoples grappling with the hegemonic spread of domesticated grain production and the concomitant rise of the pristine states of Mesopotamia The book reveals how key episodes from the Genesis narrative reflect major societal revolutions of the Neolithic period in Mesopotamia through a three fold hermeneutical method literary analysis of the Bible and contemporary cuneiform texts modern scholarship from archaeological anthropological ecological and historical sources and relevant exegesis from the Second Temple and rabbinical era These three strands entwine to recount a generally sequential story of the earliest archaic states as narrated by non elites at the margins of these emerging state spaces The Dawn of Agriculture and the Earliest States in Genesis 1-11 provides a fascinating reading of the first 11 chapters of Genesis appealing to students and scholars of the Hebrew Bible and the Near East as well as those working on ecological injustice from a religious vantage point
