Women and Exile in Contemporary Irish Fiction Ellen

McWilliams, 2013-04-09 *Women and Exile in Contemporary Irish Fiction* examines how contemporary Irish authors have taken up the history of the Irish woman migrant. It situates these writers' work in relation to larger discourses of exile in the Irish literary tradition and examines how they engage with the complex history of Irish emigration. **In the Wake of the Tiger** David Clark, Rubén Jarazo Álvarez, 2010-09 The field of Irish Studies has undergone a period of great fruitfulness over the last decade. Concurrent with the economic revolution and subsequent financial crash, an immense interest in the island of Ireland and her cultural practices has been apparent from parts of the globe and academic debate on Irish culture and society has been intense and prosperous. This volume contains a number of essays which approach a variety of issues raised within the framework of post-Celtic Tiger Ireland, with contributions from scholars working in Europe. The book is divided into four sections: on Trauma Studies, on the relationship between Ireland with Europe and the rest of the world, on Audiovisual Studies, and on Ireland and the Celtic Tiger. The essays reflect a variety of issues which are of great relevance to an understanding of the world of Irish Studies at the end of the first decade of the twenty-first century. **The Novel Cure** Ella Berthoud, Susan Elderkin, Indrajit Hazra, 2014-08-01 Whether you have a stubbed toe or a stubborn case of the blues, within these pages you'll find a cure in the form of a novel or a combination of novels to help ease your pain. You'll also find advice on how to tackle common reading ailments such as what to do when you feel overwhelmed by the number of books in the world or if you have a tendency to give up halfway through. When read at the right moment in your life, a novel can quite literally change it. *The Novel Cure* is a reminder of that power. Written with authority, passion, and wit, here is a fresh approach to finding new books to read and an enchanting way to revisit the books on your shelves. **Reading the Novel in English 1950 - 2000** Brian W. Shaffer, 2009-02-09 Written in clear, jargon-free prose, this introductory text charts the variety of novel writing in English in the second half of the twentieth century. An engaging introduction to the English language novel from 1950-2000, exclusive of the US, provides students both with strategies for interpretation and with fresh readings of selected seminal texts. Maps out the most important contexts and concepts for understanding this fiction. Features readings of ten influential English language novels, including Margaret Atwood's *The Handmaid's Tale*, Kazuo Ishiguro's *Remains of the Day*, and Chinua Achebe's *Things Fall Apart*. **The History of English** Stephan Gramley, Vivian Gramley, 2024-05-31 *The History of English: An Introduction* provides a chronological analysis of the linguistic, social, and cultural development of the English language from before its establishment in Britain around the year 450 to the present. Each chapter represents a new stage in the evolution of the language, all illustrated with a rich and diverse selection of primary texts. The book also explores the wider global course of the language, including a historical review of English in its pidgin and creole varieties and as a native and/or second language in the Caribbean, Africa, Asia, and Australasia. The third edition, carefully revised and updated throughout, includes chapter introductions and conclusions to assist in orientation, plus additional marginal references.

throughout the addition of 21 timelines often running from Old English to Present Day English and focusing on a variety of features a new focus on the relevance of change for and in Present Day English discussions on the role and image of women the in visibility of social classes and regional variation in English material on bilingualism code switching and borrowing and on the effects of the social media on language use over 90 textual examples demonstrating linguistic change and over 100 figures tables and maps including 31 colour images to support and illuminate the text updated online support material including brief introductions to Old and to Middle English further articles on linguistic historical and cultural phenomena which go beyond the scope of the book additional sample texts exercises and audio clips With study questions as well as recommendations for further reading and topics for further study The History of English is essential reading for any student of the English language and will be of relevance to any course addressing the origins and development of the English language

The Really Useful Literacy Book Tony Martin, Chira Lovat, Glynis Purnell, 2012 Written with primary classroom teachers and teachers in training in mind this book provides inventive ideas for the classroom together with an accessible summary of the theories underpinning them

Playing for Time Geraldine Cousin, 2013-03-31 Playing for time explores connections between theatre time the historical moment and fictional time Geraldine Cousin persuasively argues that a crucial characteristic of contemporary British theatre is its preoccupation with instability and danger and traces images of catastrophe and loss in a wide range of recent plays and productions The diversity of the texts that are examined is a major strength of the book In addition to plays by contemporary dramatists Cousin analyses staged adaptations of novels and productions of plays by Euripides Strindberg and Priestley A key focus is Stephen Daldry's award winning revival of Priestley's *An Inspector Calls* which is discussed in relation both to other Priestley time plays and to Caryl Churchill's apocalyptic *Far Away Lost children* are a recurring motif Bryony Lavery's *Frozen* for example is explored in the context of the Soham murders which took place while the play was in production at the National Theatre whilst three virtually simultaneous productions of Euripides *Hecuba* are interpreted with regard to the Beslan massacre of schoolchildren
