The King S Wizard:

The Way of Wizards and Kings Melissa Wilds,2005-08-18 The night to come would be one for the ages And these were the people who would play a magical and glorious role in the turning of events For the thirteenth generation would take a step in history that night down that path that makes men wizards and kings Thus begins a tale of three young humble shepherds whose destiny takes them far beyond their flock and acknowledges their noble and forgotten ancestry Chosen by elves Byron Corwin and Cherish embark on a journey that takes them through perilous woods hidden fortresses and unlikely allies Their adventures incorporate magic awakened talents and their undying commitment toward the better good for all In this classic tale of good versus evil magic does not seem so impossible when coupled with simple goodness spirit and unrivaled courage as three unlikely heroes come of age in turbulent times Prophecy of the Kings - Book 1 David Burrows,2010-01-14 Vastra is a man possessed Where other men require food to sustain them his craving is for power He seeks an Eldric talisman ensnaring two men to aid him Fate guides his hand and unwittingly he chooses Kaplyn who is seeking to escape his own destiny and Lars shipwrecked and friendless an outcast on the Allund shore An unlikely trio they form a fragile alliance but recklessly ambitious Vastra will betray them in a heartbeat Throughout their journey there are clear signs that demons are active stealing souls to slake their hunger Their journey takes them to a mysterious tower beset by traps where Kaplyn triggers a chain of events unleashing the full power of a prophecy that could doom them all Deep in the heart of a mountain lays a power that not even Vastra has the audacity to envision But who really is guiding Vastra s destiny Kaplyn has the talisman and for all of Vastra s threats he is unwilling to part with it Prophecy of the Kings - Book 2 David Burrows,2010-01-14 Armies are gathering but Astalus the Thracian court wizard is in a quandary Shocking news has arrived from an unlikely source A spy arrested brazenly entering the city claims to be a prince from a royal household that was overthrown the family members murdered over sixty years ago Intriguingly the spy s claim to be from Allund is more than a coincidence for the army marching against them is also from Allund Who indeed to trust The stranger brings with him news of an army from Trosgarth which can only mean one thing Drachar s shade has been summoned and the Prophecy is coming to pass Old alliances are broken and many monarchs slain No sign yet exists of the king predicted by the Prophecy who will save them all Astalus normally so certain and confident is suddenly plummeted into his worst nightmare for soon Thrace could be threatened by demons and against them there is no salvation In a land fraught with betrayal fear and death the shadows are deepening **DELGOTHA Book I: the Kings of War** Darrin E Delzer,2009-08-05 A Saga of the Dragons A noble theme here a worthy one You are about to enter a full magical special world and you re lucky believe me Set forth Delzer has laid this journey out as few can and wonders truly await you Review words by Don Skiles Ever wonder what happened to the Dragons Delgotha begins to show you where the huge wheel of destruction starts to turn as the engines of doom rip to life with a fire powered broken heart It s a heavy dark story of many things even things you as the reader may

have faced in real life To remember us Dragons changes are in order A War and a Darkness are coming are you ready
