Tentacle Monster In The Woods Mons Erony, 2021-10-04 It s not the first time Arian has gone camping out in the woods but there s something different about the silence around her The park rangers had reacted in a peculiar manner when she told them that she plans to stay here for the entire week She s aware of the urban legends around these parts The stories go that people who come in here do not emerge at all but she dismisses them as just that Stories Arian is used to the feeling of being watched when she s out in the woods all on her own Time and experience have reassured her over that it s just paranoia and she will embrace the newfound peace about her She learns soon enough that there is nothing peaceful in the shadows of the woods There is a creature here that means to claim her in every way imaginable PG Excerpt At first she thinks it s just another noise that has shaken her awake It won t be the first time she s woken up in the middle of the woods because some curious creature had snuck up to her tent in the middle of the night Except this creature has somehow managed to unzip her tent and wrap its hand around her ankle slowly pulling her out It must have realized that she had startled awake when she makes a loud noise of distress kicking out in panic The world is suddenly upside down She manages a shocked yelp as the ground rushes away from her and she s yanked up by her leg the blackness of night swallowing her vision Fear pulses in her veins and it is more than a little disorienting when she is held upside down by her assailant It must be a bear No other creature would be big enough to lift her like this so easily Blood rushes to her head in her position and it takes a moment for her vision to clear up well enough that she can see where she is but seeing doesn t make things any easier If anything she is even more confused by what exactly she s being held up by At first she thinks it s just a mess of shadows a trick of the light making the creature look like it has more limbs than anatomically possible but that s just her brain trying to make sense of the monster she s seeing **Tentacle Erotica Mega Bundle** Talia Trace, Abbey is vacationing with her friends looking for a little relaxation and maybe a little action But sometimes action comes from the
