## **The Lambhearted Lion Why Christianity Needs Gay People:**

*The Lambhearted Lion* Brian Karcher, 2015-01-02 As we enter into the debates and discussions regarding gay people I contend that it is fear that is creating the discord The church fears gay people And gay people fear the church I don't claim to have all the answers to the myriad issues here I do claim the way forward the way Jesus would have us go begins with casting out fear with love My utmost contention is that we welcome gays into the church starting with love

**A Theology of Gay and Lesbian Inclusion** Donald Grant Hanway, 2006 A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they have experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members

BOOK JACKET *Washed and Waiting* Wesley Hill, 2010-11-29 Yet many who sit next to us in the pew at church fit that description says author Wesley Hill As a celibate gay Christian Hill gives us a glimpse of what it looks like to wrestle firsthand with God's No to same sex relationships What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homosexuality What is God's will for believers who experience same sex desires Those who choose celibacy are often left to deal with loneliness and the hunger for relationships How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt Weaving together reflections from his own life and the lives of other Christians such as Henri Nouwen and Gerard Manley Hopkins Hill offers a fresh perspective on these questions He advocates neither unqualified healing for those who struggle nor their accommodation to temptation but rather faithfulness in the midst of brokenness I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ Hill writes In so doing they may find as I have by grace that being known is spiritually healthier than remaining behind closed doors that the light is better than the darkness
