Immortal: Last Call Gene Doucette, 2020-01-07 I'm something like sixty thousand years old and I've probably thought more about my own death than any living being has thought about any subject ever I used to be unduly preoccupied with what might constitute a good death although interestingly this has always been an after the fact analysis What I mean is following a near death experience I'll generally perform a quiet review of the circumstances and judge whether that death would have been objectively good by whatever metric one uses for that kind of thing I'm not nearly that self-reflective while in the midst of said near death experience Facing death the predominant thought is always not like this A disease threatening the lives of everyone human and non-human has been loosed upon the world by an arch enemy Adam didn't even know he had That's just the first of his problems Adam's also in jail facing multiple counts of murder at least a few of which are

accurate He may never see the inside of a courtroom because there remains a bounty on his head put there by the aforementioned arch enemy that someone is bound to try to collect while he s stuck behind bars Meanwhile Adam s sitting on some tantalizing evidence that there might be a cure but to find it he s going to have to get out of jail get out of the country and track down the man responsible He can t do any of that alone but he also can t rely on any of his non human friends for help not when they re all getting sick What he needs is a particularly gifted human who can do things no other human is capable of He knows one such person He calls himself a fixer and he s Adam s and possibly the world s last hope That s provided he believes any of it Immortal Last Call is the sixth book in the Immortal Novel Series and also the end of a long journey for one immortal man
