Christocentric Reformed Theology in Nineteenth-Century America Emanuel V. Gerhart,2021-07-30 Knowledge of the ideas of the theologian Emanuel V Gerhart is essential for understanding nineteenth century American theology Gerhart was one of the first to introduce a complete systematic Christocentric theological system to Americans His Institutes of the Christian Religion developed the ideas of European theologians and promoted the effort to systematize Mercersburg theology Gerhart embraced German idealism rather than Scottish philosophy in his scholarship As a mediating theologian he attempted to reconcile historical Christianity with modern culture His lectures essays and texts addressed the religious challenges and intellectual issues of his day from a Christocentric

perspective Together they were a major contribution to the Mercersburg Movement in particular and American theology in general from the antebellum period to the progressive era His publications were devoted to a range of disciplines that included education philosophy and theology This volume portrays Gerhart s core theological ideas as found in his main texts and offers introductory commentaries and gives the historical background for his intellectual contributions *The Last Mughal* William Dalrymple,2009-08-17 WINNER OF THE DUFF COOPER MEMORIAL PRIZE LONGLISTED FOR THE SAMUEL JOHNSON PRIZE Indispensable reading on both India and the Empire Daily Telegraph Brims with life colour and complexity outstanding Evening Standard A compulsively readable masterpiece Brian Urquhart The New York Review of Books A stunning and bloody history of nineteenth century India and the reign of the Last Mughal In May 1857 India s flourishing capital became the centre of the bloodiest rebellion the British Empire had ever faced Once a city of cultural brilliance and learning Delhi was reduced to a battered empty ruin and its ruler Bahadur Shah Zafar II the last of the Great Mughals was thrown into exile The Siege of Delhi was the Raj s Stalingrad a fight to the death between two powers neither of whom could retreat The Last Mughal tells the story of the doomed Mughal capital its tragic destruction and the individuals caught up in one of the most terrible upheavals in history as an army mutiny was transformed into the largest anti colonial uprising to take place anywhere in the world in the entire course of the nineteenth century **Wakenight Emporium** Anne B.
