Spiritual Path Ruth Whitney,2021-05-21 In Six Stages on the Spiritual Path we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us

Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe **Two Strangers - One Soul** Bob Norton,2011 The book recounts the awakening and journey of the Narrator who seeks to make sense of the questions and enigmas which perplex us and cause more and more anxieties The Narrator comes across a chance acquaintance Compelled by what he hears he embarks on discussions which make up the fears hopes and aspirations of us all These conversations are interspersed with dream sequences with another Stranger The dreams often reinforce a conversation with an alternative perspective Each conversation chapter focuses on a value which is central to human living some of which we all get wrong most of the time These values are crucial to rebuilding human life post 2012 There is a mounting sense of new discovery as one Stranger Jonathan peels back the inner layers of the Narrator s hidden self to reveal the greatest adventure of all In the future we shall live according to renewed values not based on greed power and destruction but based on love understanding and co existence The diverse aspects of these three values form the storyline and subject matter of this book **Being a Human Being** Alan M.
