Bergeron, 2017-11-28 Through an investigation of the dedications and addresses from various printed plays of the English Renaissance the author recuperates the richness of these prefaces and connects them to the practice of patronage The prefatory matter discussed ranges from the printer John Day's address to readers the first of its kind in the 1570 edition of Gorboduc to Richard Brome's dedication to William Seymour and address to readers in his 1640 play Antipodes The study includes discussion of prefaces in plays by Shakespeare's contemporaries as well as Shakespeare himself among them Marston Jonson and Heywood The author uses these prefaces to show that English playwrights printers and publishers looked in two directions toward aristocrats and toward a reading public in order to secure status for and dissemination of

dramatic texts The author points out that dedications and addresses to readers constitute obvious signs that printers publishers and playwrights in the period increasingly saw these dramatic texts as occupying a rightful place in the humanistic and commercial endeavor of book production The Old English Version of Bede's Ecclesiastical History of the English People Saint Bede (the Venerable),1898 Both Not Half Jassa Ahluwalia, 2024-06-11 Redefine What It Means to Talk about Mixed Raced Identity Dive into a thought provoking journey with Both Not Half A Radical New Approach to Mixed Heritage Identity by actor Jassa Ahluwalia A journey to self discovery For over twenty five years Ahluwalia grappled with the label of being half Indian half English despite his fluent Punjabi and rich cultural heritage Feeling caught between two worlds he embarked on a transformative guest to challenge the binary narratives surrounding mixed race identity Working toward an inclusive future In this powerful memoir book Ahluwalia uncovers the historical roots of modern mixed identity bravely deconstructing inherited binaries and challenging passive acceptance of societal norms Through his personal experiences and insights he advocates for a more inclusive meaning and nuanced understanding of identity Inside this book you ll find A rallying cry for living and belonging in a divided world Thought provoking insight that invites you to reconsider the meaning of inclusivity and diversity prompting reflection on the labels we assign and the narratives we perpetuate A space to challenge your preconceptions broaden your understanding and embrace the beauty of diversity If you liked A Different Mirror Maybe I Don t Belong Here or Natives you ll love Both Not Half *Old English and its Closest Relatives* Orrin W.
