My Dreams

My Journey Daphne Forbes,2013-12-31 Daphne was the tenth of fourteen children born into a loving Christian family in 1940s Jamaica Although a delicate child she was happy and had lots of fun with her siblings in their idyllic rural home She was ambitious and dreamed of becoming a doctor and eventually to have a happy fulfilled family life of her own Things started to go wrong when she became ill at the age of fourteen She later became an unwed mother to the disappointment of her family and church She could no longer stay at home as her situation and desires had changed This forced her to leave Jamaica and move to England in the winter of 1961 where she married her sons father Married life was far from what she expected The reality of life in England was hard for her to adjust to She encountered racism at work and illness in the family In 1964 with the help and encouragement of her brother she was introduced to the New Testament Church of God where she received the Lord Jesus Christ into her life Daphne decided to return to Jamaica later in life but that decision was not without its challenges She had changed and so had Jamaica She shares some interesting amazing and challenging experiences and dreams from her journey through life Go home to thy friends and tell them what great things the Lord hath done for thee Mark 5 19 Phoenix Omar Richards,2016-08-13 A multitude of poems that relays my views on many aspects of life Meant to make readers feel the words and rethink life as a whole

our expectations we end up with an Expectation Hangover This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively Christine Hassler has broken down the complex and overwhelming experience of recovering from disappointment into a step by step treatment plan This book reveals the formula for how to process Expectation Hangovers on the emotional mental physical and spiritual levels to immediately ease suffering Instead of wallowing in regret self recrimination or anger we can see these experiences as catalysts for profound transformation and doorways that open to possibility Often it is only when life throws us a curveball or several that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a life we love By the time you finish this book you ll understand why your Expectation Hangover happened and have your own treatment plan a clear course of action to pursue your goals while preventing future disappointment *Prized Possession* Alan Smyth,Kristy Fox,2013-05-03 An umbrella offers protection and covering from the outside elements An umbrella shields one from what you dont want to experience Dads can picture themselves as an umbrella over their daughters as they grow up A dads role is to protect cover and shield his daughter from unwanted and outside elements My prayer is that the reader would stand above the rest in their parenting efforts Be the kind of dad that rises to the challenge and embraces the battle This book examines the tumultuous culture that girls are growing up in and will help dads begin to understand their role in the battle There are firsthand testimonies from quality young women who will report what their fathers did that cultivated a close father daughter relationship In addition you will hear from dads who worked hard at being great fathers and learn by their example I will share personal experiences that have shaped my parenting and provided me with the insight conviction and motivation I needed to be the right kind of dad for my daughter God bless you in the sacred task of raising a daughter I pray this book will empower you in the process Alan Smyth *My Life as a Single Christian* Prophetess Lee,2006-05-12 I thought my marriage would last forever Forever turned out to be six months three days twelve hours thirty minutes and forty eight seconds I guess I gave it away that I didn t want the marriage to end It s been six years since we divorced but the pain of it seems like only yesterday Helena Douglas and her friend Cora are two single Christian women looking for love Having recently ended her first marriage with her pastor husband Helena struggles to deal with the consequences of her divorce Cora continues to search for love despite her less than successful past with men She has four children all from different men and struggles to overcome her difficult childhood Cora quickly comes to the realization that Christ is the door to her true happiness but Helena falls deeper and deeper into a world of lust deceit and spiritual depravity She is pulled between two men who long to possess her for different reasons It is only when Helena is forced to decide between the man she loves and her unborn child that she turns back to God But is it too late *Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church")* ,1888 **The Long Road Back** Kertina Small,2011-05-18 This book is a heartfelt story About a young woman She was verbally and physically abused and raped and
