adopted city Los Angeles which was still something of a frontier town rife with corruption and lawlessness In addition to novels Chandler wrote short stories and penned the screenplays for several films including Double Indemnity 1944 and Strangers on a Train 1951 His work with Billy Wilder and Alfred Hitchcock on these projects was fraught with the difficulties of collaboration between established directors and an author who disliked having to edit his writing on demand *Creatures of Darkness* is the first major biocritical study of Chandler in twenty years Gene Phillips explores Chandler s unpublished script for *Lady in the Lake* examines the process of adaptation of the novel *Strangers on a Train* discusses the merits of the unproduced screenplay for *Playback* and compares Howard Hawks s director s cut of *The Big Sleep* with the version shown in theaters Through interviews he conducted with Wilder Hitchcock Hawks and Edward Dmytryk over the past several decades Phillips provides deeper insight into Chandler s sometimes difficult personality Chandler s wisecracking private eye Philip Marlowe has spawned a thousand imitations *Creatures of Darkness* lucidly explains the author s dramatic impact on both the literary and cinematic worlds demonstrating the immeasurable debt that both detective fiction and the neo noir films of today owe to Chandler s stark vision

climate of countries and places in Hungary Prague and the Crisis and Bowen's Court In Britain in Autumn she records the strained atmosphere of the blitz as no other writer does Immediately after the war she reported on the International Peace Conference in Paris in a series of essays that are startling in their evocation of tense diplomacy among international delegates scrabbling to define the boundaries of Europe and the stakes of the Cold War The aftershock of war registers poignantly in *Opening Up the House* owners evacuated during the war return to their houses empty since 1939 Other essays in this volume especially those on James Joyce Jane Austen and the technique of writing offer indispensable mid century evaluations of the state of literature The essays assembled in this volume were published in British Irish and American periodicals during Bowen's lifetime She herself did not gather them into any collection Some of these essays exist only as typescript drafts and are published here for the first time Bowen's observations on age toys disappointment charm and manners place her among the very best literary essayists of the modernist period      *A Companion to the Modern American Novel, 1900 - 1950* John T. Trott,2016-11-03 The conflation of the hard boiled style and war experience has influenced many contemporary crime writers particularly in the traumatic aftermath of the Vietnam War Yet earlier writers in the genre such as Raymond Chandler remain overlooked when it comes to examining how their war experience affected their writing Sarah Trott corrects this oversight by examining Chandler alongside the World War I writers of the Lost Generation as well as highlighting a melding of very different styles in Chandler s work Based on Chandler s experience in combat Trott explains that the writer created detective Philip Marlowe not as the idealization of heroic individualism as is commonly perceived but instead as an authentic individual subjected to very real psychological frailties from trauma during the First World War Inspecting Chandler s work and correspondence indicates that the characterization of the fictional Marlowe goes beyond the traditional chivalric readings and can instead be interpreted as a genuine representation of a traumatized veteran in American society Substituting the horror of the trenches for the corruption of the city Chandler formed a disillusioned protagonist in an uncaring America Chandler did so with the sophistication necessary to straddle genre fiction and canonical literature The sum of this work offers a new understanding of how Chandler uses his war trauma how that experience established the traditional archetype of detective fiction and how this reading of his fiction enables Chandler to transcend generic limitations and be recognized as a key twentieth century literary figure **Raymond Chandler** Tom Hiney,2010-12-15 Born in Nabaska of Irish Quaker

parents educated at Dulwich College and in the mean streets of Los Angeles about which he wrote Raymond Chandler writer oil executive poet recluse charmer gentlman drunk was full of contradictions as his origins His seven Philip Marlowe stories had sold 5 million copies by the time of his death in1059 Since the first authorised biography 20 years ago much new material can be revealed about the man and his life For this major new biography Tom Hiney has had some access to unseen personal papers as well as previously unrecorded reminiscences by those who knew him well and he vividly evokes the strange early years brings alive the danerous glamour of the Hollywood era and puts Chandler s writing in the context of the

crime and corruption in Prohibition LA He gives illuminating details of friendships with Ian Fleming Somerset Maugham the Spenders Alfred Hitchcock and fully records for the first time his relationship with Cissy his wife of 30 years 17 years his senior and his paradoxical relations with other women      **Real Life Rock** Greil Marcus,2015-01-01 The Washington Post hails Greil Marcus as our greatest cultural critic Writing in the London Review of Books D D Guttenplan calls him probably the most astute critic of American popular culture since Edmund Wilson For nearly thirty years he has written a remarkable column that has migrated from the Village Voice to Artforum Salon City Pages Interview and The Believer and currently appears in the Barnes Noble Review It has been a laboratory where Marcus has fearlessly explored and wittily dissected an enormous variety of cultural artifacts from songs to books to movies to advertisements teasing out from the welter of everyday objects what amounts to a de facto theory of cultural transmission Published to complement the paperback edition of The History of Rock Roll in Ten Songs Real Life Rock reveals the critic in full direct erudite funny fierce vivid astute uninhibited and possessing an unerring instinct for art and fraud The result is an indispensable volume packed with startling arguments and casual brilliance      Sequels ,1967      Detectives in the Shadows Susanna Lee,2020-08-04 A century of American history reflected in the iconic private eye Steadfast in fighting crime but operating outside the police force and sometimes even the law is the private detective Driven by his own moral code he is a shadowy figure in a trench coat standing on a street corner his face most likely obscured by a tilted fedora a lit cigarette dangling from his hand The hard boiled detective is known by his dark past private pain and powers of deduction He only asks questions never answers them In his stories he is both the main character and the narrator America has had a love affair with the hard boiled detective since the 1920s when Prohibition called into question who really stood on the right and wrong side of the law And nowhere did this hero shine more than in crime fiction In Detectives in the Shadows literary and cultural critic Susanna Lee tracks the evolution of this truly American character type from Race Williams to Philip Marlowe and from Mike Hammer to Jessica Jones Lee explores how this character type morphs to fit an increasingly troubled world offering compelling interpretations of The Wire True Detective and Jessica Jones Suddenly in the present day the hard boiled detective wears his or her fatigue outwardly revealing more vulnerability than ever before But the detective remains resolute in the face of sinister forces ever the person of honor For anyone interested in crime fiction and television or for those wanting to understand America s idolization of the good guy with a gun Detectives in the Shadows is essential reading
