The Mark on the Wall and Other Short Fiction Virginia Woolf, 2001 I shall never forget the day I wrote *The Mark on the Wall* all in a flash as if flying after being kept stone breaking for months *The Unwritten Novel* was the great discovery however That again in one second showed me how I could embody all my deposit of experience in a shape that fitted it I saw branching out of the tunnel I made when I discovered that method of approach *Jacob's Room* *Mrs Dalloway* etc How I trembled with excitement The thrill Woolf got from these stories is readily apparent to the reader She wrote them in defiance of convention with a heady feeling of liberation and with a clear sense that she was breaking new ground Indeed if she had not made her bold and experimental forays into the short story in the period leading up to the publication of *Jacob's Room* 1922 it seems certain that her arrival as a great modernist novelist would have been delayed Quirky unrestrained disturbing and surprising many of these stories particularly the early ones are essential to an understanding of Woolf's development as a writer She thought some of her short fiction might be unprintable but happily she was mistaken

ATONUS L PERRY has always been fascinated with tales of fantasy and wonder Being the son of a librarian he spent many of his weekends and summers reading books The only thing he loved more than reading was indulging in creative writing As he matured he began to take an interest in Japanese animation comic books and role playing video games After immersing himself in the media storylines he loved so much he discovered that there was not enough action in most of the stories he loved So he vowed to one day write a story that was not lacking in action One day after an assignment in one of his college English classes called for an outline of an epic adventure he made good on that vow and began writing stories that deliver page turning action He writes for the people who feel dissatisfied with the stories they love so much
