The Sheikhs Foolish Promise Greeneyed Sheikhs Series English Edition:

The Adjalane Sheikhs Leslie North, Book One The Sheikh's Secret Bride Work always comes first for Sheikh Nassir Adjalane From an early age he learned business was infinitely more important than having a personal life But with pressure from an opponent on his board Nassir suddenly has only one month to marry or risk being voted out of his company With everything he's worked toward on the line Nassir desperately needs a bride and only one woman will do Wedding planner Janna Davis never imagined she'd be summoned to the Middle East to plan Sheikh Nassir's nuptials But the outrageous sum he's offered will finally give her what she needs to stand on her own two feet As the planning gets underway Janna is put off by Nassir's businesslike manner but she can't deny his appeal No matter what she's feeling though Janna has a job to do Janna values her independence and refuses to fall for a soon-to-be married man but what will happen when she learns that she is Nassir's intended bride Book Two The Sheikh's Stubborn Bride Sheikh Adilan Adjalane has always felt he has a lot to prove and that's why he always wins As the youngest in his hugely successful family it's not easy to live in his older brother's shadow So when he sees a chance get back his father's land the former Olympian will fight to earn his place at the top of the family real estate business But with an older brother who'll stop at nothing and a beautiful feisty American landowner who refuses to sell Adilan is struggling to remember that he always fights fair Teacher Michelle Reynolds has always wanted to see the world and it doesn't take long for her to fall in love with the Middle East She's always been open to compromise but when Adilan Adjalane offers her cash for her land Michelle refuses She's determined to build a sanctuary on her mother's land just as she promised Besides she's been warned about the Adjalanes Adilan may be devastatingly handsome but she knows he comes from a family of heartbreakers With the stakes getting higher and their attraction growing will Adilan have to sacrifice his ethics to earn his place in the family business or is Michelle more important than winning Book Three The Sheikh's Reluctant American Banished Sheikh Malid Adjalane has no interest in returning to the family business under the watchful eye of his controlling father But if Malid doesn't agree to take on a tough deal he won't be allowed into the palace to see his dying mother With no other choice Malid finds himself deep in negotiations with the largest oil producer in the world He expected hard work but he never could have prepared himself for the gorgeous ambitious woman on the other end of this business deal Nigella Michaels works hard for her father's oil company but she still has a lot to prove It's a masculine industry and with her dad about to retire this deal could be just what she needs to show him once and for all that she's the right person to continue his legacy She's always worked well with others and this should be no exception But not even her meticulous research could have prepared Nigella for the instant attraction she has with Malid After so many years on his own it won't be easy for Malid to put up with his father's terms But with Nigella's help perhaps they'll both learn to balance the weight of their family with their own desires

The Sheikh's Stubborn Lover Leslie North, Sheikh Adilan Adjalane has always felt he has a lot to prove and that's why he always wins As the youngest in his hugely successful family it's not easy to

live in his older brother's shadow. So when he sees a chance get back his father's land the former Olympian will fight to earn his place at the top of the family real estate business. But with an older brother who'll stop at nothing and a beautiful feisty American landowner who refuses to sell Adilan is struggling to remember that he always fights fair. Teacher Michelle Reynolds has always wanted to see the world and it doesn't take long for her to fall in love with the Middle East. She's always been open to compromise but when Adilan Adjalane offers her cash for her land Michelle refuses. She's determined to build a sanctuary on her mother's land just as she promised. Besides she's been warned about the Adjalanes. Adilan may be devastatingly handsome but she knows he comes from a family of heartbreakers. With the stakes getting higher and their attraction growing will Adilan have to sacrifice his ethics to earn his place in the family business or is Michelle more important than winning.

The Sheikh's Foolish Promise Yasmin Porter, 2015-04-29 New from Bestselling Author Yasmin Porter. He's not the man she thought he was. Archaeologist Katherine Delaney knows that she isn't exactly a catch. Her passion for her work bores ordinary men to tears and her frizzy ginger mane and boyish body aren't turning anyone's head. When she finds a sexy stranger stranded by the side of the road in the middle of the Samarri desert she knows that he's just too good to be true. A guy like that would never go for a woman like her and she's got a sneaking suspicion that he's not telling her everything he's much much better. Impulsive and mercurial Sheikh Kalik al Abbas is tired of living up to his family's expectations. Just once he'd like for someone to treat him like an ordinary man and not the heir to a fortune with billions. When he meets an irresistibly awkward American who seems to care more about his character than his name a momentary lapse in judgment leads him to betray her trust. Sheikh Kalik will do whatever it takes to regain Katherine's admiration even if that means making promises that he'll struggle to keep.
