*Adoption in Galatians and Romans* Erin M. Heim, 2017-03-06 In a new study on the Pauline adoption metaphors Erin Heim applies a wide array of contemporary theories of metaphor in a fresh exegesis of the four instances of adoption huiiothesia metaphors in Galatians and Romans Though many investigations into biblical metaphors treat only their historical background Heim argues that the meaning of a metaphor lies in the interanimation of a metaphor and the range of possible backgrounds it draws upon Using insights from contemporary theories Heim convincingly demonstrates that the Pauline adoption metaphors are instrumental in shaping the perceptions emotions and identity of Paul's first century audiences

*Paul and Ancient Rhetoric* Stanley E. Porter, Bryan R. Dyer, 2016-02-24 In this volume major international scholars examine ancient rhetoric's role in understanding Paul and his writings within his Hellenistic context **Reading Galatians in First-Century Context** Panayotis Coutsoumpas, 2019-06-18 The apostle Paul wrote the epistle to the Galatians By far Galatians is one of the most controversial letters among the Pauline writings Galatians appears to have been written in instantaneous response to what Paul observed as an urgent crisis among the Galatian churches For Galatians provides us with more personal and autobiographical information than any other letters of the apostle Paul When all the information and the teaching is integrated with the teaching of the letter itself it helps us to build up a strong picture of Paul the missionary and theologian and also allows us to situate the letter to Galatia itself within both his life and his theology To the Galatians however Paul had preached Christ crucified and response of faith had resulted in rich and powerful experience of the Spirit Paul's recollection also gives valuable information regarding those to whom the letter was addressed and about their admission into Christian faith *Paul, Theologian of God's Apocalypse* Martinus C. de Boer, 2020-05-13 This collection of

essays argues that Paul's articulation of Christ and his saving work makes use of the categories and perspectives of ancient Jewish apocalyptic eschatology. Such eschatology is concerned with the expectation that God will finally and irrevocably put an end to the present order of reality, this age, and replace it with a new transformed order of reality, the age to come. In Paul's view, God has initiated this eschatological act of cosmic rectification in the person and work of Christ. The essays included two of them previously unpublished investigate and illuminate various aspects of Paul's christologically focused appropriation of ancient Jewish apocalyptic eschatology particularly in his letters to the Galatians and the Romans. The collection begins with the author's seminal essay on the two tracks of Jewish apocalyptic eschatology, forensic and cosmological, from 1989 and ends with an essay from 2016 containing the author's retrospective restatement and elaboration of his views. Witch Hunt in Galatia Jeremy Wade Barrier, 2020-09-29 Approximately 2,000 years ago, some Jewish communities of Galatia in central Asia Minor believed they had fallen under a curse, argues Jeremy Wade Barrier. A fellow Jew named Paul wrote the letter we call Galatians to help them escape its effects. In the letter, Barrier argues, Paul called for the Jews in Galatia to stop practicing circumcision. The rite had fallen into disuse within many Jewish communities in the Roman Empire, but Barrier argues the Galatian Jews believed it was a talisman that would protect them from harm. As a further precaution, they needed to deal with the person who had brought this evil to their community. A witch hunt was underway, and some had concluded that the witch was none other than Paul. Barrier provides a reconstruction of the original occasion of Paul's letter to the Galatians and shows how Paul defended himself from accusations of witchcraft by countering that the ritual that would protect them from the Evil Eye was not circumcision but rather baptism. Through the ritual of baptism, they could receive healing from a material yet divine breath of God. Barrier also reconstructs an earlier understanding of this pneuma that was lost to subsequent Christianity under the influence of Neoplatonism. The Curse of the Law and the Crisis in Galatia Todd A. Wilson, 2018-09-12 Todd Wilson assesses Paul's references to the Law in the so-called ethical section of Galatians in light of a fresh appraisal of the Galatian crisis. He contributes to the continuing debate over the relevance of this section of the letter for the rest of Galatians and for the situation in Galatia. *Paul And His Opponents* Stanley E. Porter, 2005 Who were Paul's opponents? Were they one or were they many, depending upon the church concerned? These questions continue to be of interest to Pauline and other New Testament scholars and are addressed in this volume of collected essays. Some of the essays are on specific books, such as Galatians, the Corinthian letters, and Romans, while others treat broader issues in Paul's world. *Paul Cries Freedom in Galatia!* Gysbert M. H. Loubser, 2017 This study emphasizes Paul's urgency in conveying the radical newness of life since the advent of Christ and his Spirit. Just as the Spirit introduces believers to the life in Christ, he equally leads them to live life in the faithfulness of Christ, producing the fruit of the Spirit. Paul describes this as a life of freedom from flesh and its law, as well as the elements of the world. Guiding believers ethically from inside and empowering them to do God's will, the Spirit has no need of law, making the christological pneumatological ethic of the new creation.

**Christophany** Rob A. Fringer, 2019-02-28 Paul's Christophany i.e. his Damascus Road Experience has been the subject of much scholarly analysis. However, treatments of this phenomenon while widely varied have tended to extract the various references from their literary contexts in order to reconstruct the event to discover the foundations and content of Paul's Christology or to analyze Paul's experience of conversion and/or call. The current study focused on the undisputed Pauline epistles evaluates how and why Paul employed the various Christophanic references in their particular literary and sociohistorical contexts. Through this assessment the importance of Paul's Christophanic references as part of his larger arguments is established. It is shown how Paul uniquely shapes the various Christophanic references to fit the needs of his argument and through it the needs of each community. Furthermore, this study demonstrates that Paul's Christophanic references do not primarily establish his apostolic status or assert his apostolic authority. Through this study the corporate nature of Paul's Christophanic references becomes increasingly evident and multiple general conclusions are drawn which provide a possible glimpse into Paul's understanding of his Christophanic experience. *Sinners, Works of Law, and Transgression in Gal 2:14b-21* Nicolai Techow, 2024-01-30 In this study of the flow of thought in Paul's speech to Cephas Gal 2:14b-21 Nicolai Techow explains the passage as a linear and unified argument centered on God's judgment of people in the cross of Christ as integral to justification. He argues for a primarily moral religious meaning of sinfulness and works of law.

*Enabling Dialogue about the Land* Cunningham, Philip A., Langer, Ruth, Svartvik, Jesper, 2020 Provides resources for peaceful exchange of viewpoints about the Middle East. Sixteen scholars of the Bible and theology offer here insightful, extensively researched essays to shed light on religious and cultural priorities and promote understanding that can lead to productive dialogue. *Theology and Practice in Early Christianity* Troy W. Martin, 2020-08-12 Early Christianity did not originate in a vacuum but in a world of linguistic, social, religious, and cultural richness and diversity. The twenty-two seminal essays in this volume, some previously published and some newly written, represent almost three decades of research by Troy W. Martin to understand how early Christianity developed in the ancient world. The broad-ranging investigations in these essays give attention not only to the linguistic and rhetorical features of early Christian texts but also to the social, philosophical, physiological, and medical contexts in which these texts were written. The essays provide new understandings of early Christian conceptions of salvation and of the virtues of faith, hope, and love that characterized early Christian communities. They include new medical and physiological explanations of early Christian sacraments, pneumatology, and eschatology and furthermore investigate early Christian communal life and practice, including the veiling of women, male-female relationships, and time-keeping. The essays include reception histories that describe their influence on subsequent research and place them within the context of contemporary research and scholarship. Those familiar with the well-trodden ground of New Testament studies will find in these essays new insights and previously unexplored comparative material for understanding early

Christianity and the world in which it originated      Sarcasm in Paul's Letters Matthew Pawlak, 2022-12-22 Provides an extensive analysis of sarcasm in Paul's letters illuminated by case studies on Septuagint Job the prophets and Lucian of Samosata      Apostle of the Crucified Lord Michael J. Gorman, 2004 Unlike the many books that treat the apostle Paul merely as a historical figure and his letters as literary relics this new study by Michael Gorman focuses on the theological message of Paul's writings particularly what they have to say to the contemporary church An innovative and comprehensive treatment of Paul including commentary on all of the Pauline letters Gorman's *Apostle of the Crucified Lord* unpacks the many dimensions of Paul's thought carefully and holistically Six introductory chapters provide background discussion on Paul's world his résumé his letters his gospel his spirituality and his theology while the main body of the book covers in turn and in full detail each of the Pauline epistles Gorman gives the context of each letter offers a careful reading of the text and colors his words with insightful quotations from earlier interpreters of Paul Enhancing the text itself are questions for reflection and discussion at the end of each chapter and numerous photos maps and tables throughout All in all *Apostle of the Crucified Lord* is the ideal book for students and any other readers interested in seriously engaging Paul's challenging letters      **Jew Among Jews** Kimberly Ambrose, 2015-11-17 Misunderstanding of Paul had started already in his lifetime and his letters offer many examples of this Throughout the centuries Paul has continued to be misunderstood by both Jews and Gentiles especially in relation to his view of the law and the covenant Paul has often been misunderstood because his form of argument his use of Scripture his view of Jews and Gentiles in Christ especially of those Jews who were not convinced that Jesus was Messiah and his view of what constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle We have been accustomed to read his letters as of one who was emancipating people from Judaism as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ By building on some of the insights of the New Perspective and developing other more recent insights as well a more consistent and credible Paul as a first century Diaspora Jew organizing a mission to Gentiles will be presented      *The Apostle to the Foreskin* Ryan D. Collman, 2023-06-06 This volume offers a comprehensive examination of circumcision and foreskin in the undisputed Pauline epistles Historically Paul's discourse on circumcision has been read through the lens of Paul's supposed abandonment of Judaism and conversion to Christianity Recent scholarship on Paul however has challenged the idea that Paul ever abandoned Judaism In the context of this revisionist reading of Paul Ryan Collman argues that Paul never repudiates redefines or replaces circumcision Rather Paul's discourse on circumcision and foreskin is shaped by his understanding of ethnicity and his bifurcation of humanity into the categories of Jews and the nations the circumcision and the foreskin Collman argues that Paul does not deny the continuing validity and importance of circumcision for Jewish followers of Jesus but categorically refuses that gentile believers can undergo circumcision By reading this language in its historical rhetorical epistolary and ethnic contexts Collman offers a number of new readings of difficult Pauline texts e.g. Rom
