The Journey To Normal Our Family S Life With Autism:

The Journey to Normal ID Johnson, 2014-12-30 Normal isn't anything more than a setting on the washing machine. When Sophie was born, she was a beautiful happy normal baby girl. There was nothing different about her at all. In fact, the pediatrician mentioned how social she was. However, between Sophie's first and second birthdays, things began to change. Her language stopped developing; she was hardly speaking at all. She didn't seem to notice when someone entered a room. She no longer wanted to play with her friends. Something was different about Sophie, but no one could tell us exactly what it was. Though she seemed to have symptoms of autism, there were no conclusive answers. Could it be sensory integration disorder? Perhaps selective mutism? This is Sophie's story, the story of how a little girl overcame her inability to speak and understand language. It is the true story of my very own precious amazing daughter and how living with autism has effected each of us. It is compromised mainly of my own blog posts written as the story unfolded with details and updates woven in. You will walk along with us and feel our heartache through the pitfalls and rejoice with us through the triumphs. Sophie's story is a beacon of light for other families traversing a similar path. Regardless of where your family might be along this journey, Sophie will inspire you to keep reaching for the light. [In Search of the One Thing - Journey Through Autism](#) Victor Wang, One family's journey through Autism. See how God healed their bodies, changed their minds, and awakened their spirits. **Illumination**

ID Johnson, 2017-10-15 Death isn't always what it seems. Cadence Findley would do anything in the world to bring back her friend, the one who was killed when a band of rogue Vampire Hunters ambushed her team six months ago. When her grandmother reveals the existence of the Blue Moon Portal, a pathway that might provide a bridge for the lost Guardian to cross back over, Cadence is determined to use it. Despite the fact that her fiancé Aaron warns her the portal is too dangerous and insists she never open it, Cadence develops a plan to do just that. Will she successfully access the Blue Moon Portal to open a door to the beyond, and if she does so, will Aaron walk away from her forever? In the meantime, the savage Vampire created to destroy Cadence stalks the streets of Philadelphia. The LIGHTS team must work together to find him and bring his reign to an end. How many more innocent lives will this monster claim before he can be stopped? In the confrontation, will Cadence lose someone else she cannot live without? The Clandestine Saga follows the story of Cadence Findley, Vampire Hunter extraordinaire, as she embarks on a quest to rid the world of Vampires. She is part of an elite team of Hunters and Guardians known as LIGHTS, whose sole purpose is to protect humans from the creatures that lurk in the shadows. **It's**
