The Lady With The Little Dog And Other Stories :

The Lady with the Little Dog and Other Stories Anton Pavlovich Chekhov, 2002 In the final years of his life Chekhov had reached the height of his powers as a dramatist while also writing short stories that rank among his masterpieces In *The Lady with the Little Dog* a man and a woman indulge in an affair that could ruin both their marriages but their feelings for each other compel them towards betrayal *Peasants* focuses on the brutality of peasant life where the locus of evil is the tavern in which the men spend the last of their meagre earnings on vodka and go home drunk to beat their wives And in *My Life* Misail rejects the life of a gentleman to become a labourer despite his father's protestations and threats to disown him The works in this volume show how Chekhov moved away from the realism of his earlier stories forging a style that would inspire modern short story writers such as Hemingway Faulkner and the Bloomsbury Group Back cover **Morphologies** Sara Maitland, Sean O'Brien, Jane Rogers, Brian Aldiss, Martin Edwards, Frank Cottrell-Boyce, Adam Roberts, Stephen Baxter, 2015-06-15 What makes for a good short story Being short you might think the story's structure would yield an answer to this question more readily than say the novel But for as long as the short story has been around arguments have raged as to what it should and shouldn't be made up of what it should and shouldn't do Here 15 leading contemporary practitioners offer structural appreciations of past masters of the form as well as their own perspectives on what the short story does so well The best short stories don't have closure argues one contributor because life doesn't have closure plot must be written with the denouement constantly in view quotes another Covering a century of writing that arguably saw all the major short forms emerge from Hawthorne's *Twice Told Tales* to Kafka's modernist nightmares these essays offer new and unique inroads into classic texts both for the literature student and aspiring writer *The House with the Mezzanine and Other Stories* Anton Pavlovich Chekhov, 2024-12-24 Step into the world of Anton Pavlovich Chekhov's *The House with the Mezzanine and Other Stories* a collection of deeply emotional and thought provoking tales that capture the human experience in all its complexity Known for his sharp insight into human nature Chekhov presents a tapestry of life through stories filled with quiet moments unspoken desires and the subtle drama of everyday existence In the title story *The House with the Mezzanine* Chekhov weaves a tale of art love and societal conflict set in a rural landscape where a painter's relationship with two sisters changes the course of their lives The other stories in this collection written with Chekhov's characteristic simplicity and depth reflect his mastery in portraying human frailty and the beauty of fleeting moments But here's the question that will intrigue you Can unspoken feelings and missed opportunities reveal more about life than grand dramatic events Through delicate prose and richly drawn characters Chekhov explores the quiet struggles of people caught between their desires and societal expectations Whether it's the tension between love and duty or the conflict between personal freedom and social constraints Chekhov's stories resonate with universal themes that continue to captivate readers Are you ready to delve into the subtle world of Chekhov where the smallest actions can carry profound emotional weight The

Bloomsbury Galya Diment, 2011 *A Russian Jew of Bloomsbury* looks at the remarkable influence that an outsider had on the tightly knit circle of Britain's cultural elite. Among Kotliarsky's friends were Katherine Mansfield, Leonard and Virginia Woolf, Mark Gertler, Lady Ottoline Morrell, H. G. Wells, and Dilys Powell. But it was his close and turbulent friendship with D. H. Lawrence that proved to be Kotliarsky's lasting legacy. In a lively and vibrant narrative, Galya Diment shows how, despite Kotliarsky's determination, he could never escape the dark aspects of his past or overcome the streak of anti-Semitism that ran through British society, including the hearts and minds of many of his famous literary friends.

Penguin Classics Introduction to The Lady with the Little Dog and Other Stories, 1896-1904 by Anton Chekhov (Penguin Classics) Ronald Wilks, 2002

About Love and Other Stories Anton Chekhov, 2008-07-10 the greatest short story writer who has ever lived. Raymond Carver's unequivocal verdict on Chekhov's genius has been echoed many times by writers as diverse as Katherine Mansfield, Somerset Maugham, John Cheever, and Tobias Wolff. While his popularity as a playwright has sometimes overshadowed his achievements in prose, the importance of Chekhov's stories is now recognized by readers as well as by fellow authors. Their themes—alienation, the absurdity and tragedy of human existence—have as much relevance today as when they were written, and these superb new translations capture their modernist spirit. Elusive and subtle, spare and unadorned, the stories in this selection are among Chekhov's most poignant and lyrical. They include well-known pieces such as *The Lady with the Little Dog* as well as less familiar work like *Gusev*, inspired by Chekhov's travels in the Far East, and *Rothschild's Violin*, a haunting and darkly humorous tale about death and loss.
