The Lamb That Got Away:

The Pass John van Buren, 2014-07-08 *The Pass* is a humorous yarn about the first eight years of John van Buren's farming career. Set at Okuku Pass Station in North Canterbury, New Zealand, the book follows John as he learns the arts of farming, rodeoing, playing rugby, and generally having a good time in rural New Zealand. Told in the manner of a good kiwi bloke, the story will have you laughing with and at the characters you meet along the way. Enjoy the mirth as you saddle up and ride your way through the pages of this epic tale told in a gripping, no-holds-barred narrative.

The Ones That Got Away Roxane R. Fritz, 2012-07-06 Investigative reporter Aurora Knight has an appointment at San Quentin prison to visit a death row inmate, a former mob informant with only days to live. He is counting on her help to get to the truth of what he claims is his wrongful conviction for the murder of his wife and son. Before heading to the prison, Aurora has brunch with a high school friend she hasn't seen in decades, who questions Aurora if she regrets never getting married or having children. The question is asked: was there one true love that got away? On her way to the prison, Aurora's SUV is forced over the side of the Golden Gate Bridge and into the icy waters of the San Francisco Bay. As news of her death spreads across the country, her past loves reflect on their time with Aurora, and we come to know her through several important relationships from her first love to the man she was supposed to meet later that day.

The Winged Horse Max Brand, 2017-08-01 He was still a young man, but he'd used that handful of years effectively building a bad reputation that spanned the West: his villainy taking different forms everywhere it took root. Denver knew him as the Doctor; Texans called him Montana; and folks in Idaho called him Texas. On account of his youth, most everywhere else called him the Lonesome Kid. But when he finally gets arrested for vagrancy, he tells the sheriff his name is Alfred Lamb. Will that identity stick when he tries to help a rancher battle off a pack of cattle rustlers? With a lengthy career in pulps, comics, and early cinema, and with over two hundred full-length Western novels to his credit, including *Destry Rides Again* and *Montana Rides*, and the iconic Dr. Kildare series, Max Brand's action-filled stories of adventure and heroism in the American West continue to entertain readers throughout the world.

The Farmer's Magazine, 1852 **Hungarian Folktales** J.K. Jackson, 2024-07-30 From the crossroads of Central Europe come Hungarian stories of adventure, morality, everyday life, fairies, and magic. Hungary nestles in the crossroads of Europe, and so Hungarian culture shares elements from West and East with a rich tradition of folk beliefs and folktales that have been passed down through the generations. This delightful collection gathers together tales told by the authors and folklorists Baroness Orczy, János Kriza, John Erdélyi, and Julius Pap: tales of fairy folk, adventure, and adversity; fables and lessons; magical creatures and transformations from Uletka and the White Lizard with its echoes of Snow White to the adventure of Prince Mirk with its bloodshed and diamond castles. *FLAME TREE* 451 From myth to mystery, the supernatural to horror, fantasy, and science fiction, *Flame Tree* 451 offers a healthy diet of werewolves and mechanical men, blood-lusty vampires, dastardly villains, mad scientists, secret worlds, lost civilizations, and escapist fantasies. Discover a storehouse of tales gathered

Excerpt That night the sounds that came from the metal stamping plant of Weedham Industries Incorporated might have been prophetic of the immediate and ugly future for they were like the rattle of machine guns But Joseph the keeper of the south gate was blissfully ignorant of a Thompson gun and its deadly chatter so that he drew no such comparison His only worry at the time lay in the dark sky above and the blue white stabs of lightning that promised an electrical storm He hated

storms Probably he hated the idea of being murdered or would have if it ever occurred to him But then he didn't know that he was going to be murdered and he did know it was going to storm The thunder was the tocsin of the storm but those who came to rob and kill moved unheralded in swift silence The night shift had clocked in over an hour ago and there should be no passing through the gate for at least six hours Joseph tilted his chair back against the steel fence and kindled his cob pipe The air was hot and still so that blobs of pipe smoke clung like earth bound ghosts about him In spite of the impending storm Joseph was happy In his mind was a kindly thought for William Old Bill Weedham principal owner of Weedham Industries That was because of the bonus Joseph was anticipating Within the next twenty four hours Joseph knew seventy five thousand dollars would be distributed as cash bonuses to the employees of the metal stamping division Joseph had mentally spent his tiny fraction of the money a dozen times or more He did a lot of dreaming Joseph did But about pleasant things He had never dreamed of those who rob and kill *Harper's New Monthly Magazine* Henry Mills Alden,1876 Harper's informs a diverse body of readers of cultural business political literary and scientific affairs **Death and Dying Encounter Spirituals** Tessie R.
