Spirituality and Chemical Dependency Robert J Kus,2014-01-02 Spirituality and Chemical Dependency shares current thinking on how spirituality is used in recovery from alcoholism and other forms of chemical dependency The 12 Step programs have been the most successful form of treatment thus far you will find the insight in this book to be revealing as to why Each of the contributors has devoted a significant part of his or her life to help those suffering from chemical addiction In each chapter the author gives ideas on specific aspects of spirituality in the 12 Step context and answers the ever important question So what to provide guidelines for healthy spirituality in the addicted person **ABRACADABRA** Ingrid Trier,2025-03-21 The human mind is made up of thoughts memories and the sentences that have shaped us They alone decide which direction we go which opportunities we take which paths we choose and which we don't We carry out what we were told Consciously or unconsciously We live think and breathe in the service of the words we believed Career starting a family financial situation at the beginning of everything there was a phrase a conviction that we followed from then on The same applies to the development of addiction Cigarette or sugar addiction are the result of the mental constructs that we

once internalized What we need is a new belief the basis for turning away from so called pleasures that in the end turn out to be the opposite Great transformation of a harmful life is supposedly only possible if we dare to take equally big steps But a perceived crocodile bridge that seems to open up before us the danger that we sense as soon as we leave our usual paths holds us back and everything remains the same If we change our inner signposts a new world is about to emerge Let us reformulate our phrases Let us then experience the world as we want to see it together with the freedom to know

ABRACADABRA What I Say Shall Happen *Your Spacious Self* Stephanie Bennett Vogt,2012-10-01 IT S A JUNGLE IN HERE Behind our stress clutter and confusion is an infinitely spacious place one might call stillness or joy This is our natural state of being but we usually don t experience it because we are caught in a web of material possessions desires and fears Our clutter often becomes another member of the family that we feed house and lug around In *Your Spacious Self* author and professional space clearing expert Stephanie Bennett Vogt shows us that it s not our stuff but the holding on to it that creates a force field of stuck ness that clouds our perceptions and paralyzes our lives Clutter is not just the junk spilling out of the closet It is anything or thought that prevents us from experiencing who we truly are With daily tips meditations and a decluttering checklist *Your Spacious Self* will show you how to CLEAR THE CLUTTER in your home and in your life REVEL IN YOUR OWN SPACIOUSNESS a place of stillness and joy LET GO OF THE PEOPLE PLACES AND THINGS that no longer serve the joyous being that you are Radical in its message and elegant in its simplicity *Your Spacious Self* offers a new model that combines the ancient wisdom of space clearing with the modern practicality of clutter clearing It teaches us that clearing is not just something we do but is also a powerful way to be one small step drawer or moment at a time *Me?*
