The Lemon Tree:

The Lemon Tree Ilil Arbel, Ida Rosenfeld, 2005 The Lemon Tree is the true story of a Siberian pioneer family's extraordinary year long journey as they transport their late son's tiny lemon tree to Israel. Ten year old Sasha has one dying wish he asks his family to take his lemon tree the tree he raised from a seed floating in his tea and plant it in an orchard in Israel. Nothing deters Sasha's family from fulfilling his dream. The Wissotzskys travel on cattle trains through the Trans-Siberian line become stranded in Shanghai are shot at by Manchurian officials and face the constant threat of typhoid fever as they overcome these and other harrowing obstacles on their 1918 journey. Against all odds this real life pioneer family perseveres in their quest to fulfill a child's dying wish. Can the little tropical tree survive the cold harsh journey **The Lemon Tree** Terry White, 2019-04-05 This book is one man's journey through life from a time long ago to a now much different future. There are a few sad times but through the pages laughter is never far away. Terry White was born and has lived most of his life in Scarborough although he spent ten years working and living in Gibraltar. Married with two children and three grandchildren Terry spent all his working life in the building trade. After a tragic house fire affected Terry he turned to poetry. Over the last twenty five years he has had numerous poems published in newspapers magazines and anthologies of poetry all to critical acclaim. He has recited his poems on radio and many appear in his earlier book *Where the Reflecting River Flows*. Terry now concentrates on creative writing *The Lemon Tree* Rae Desmond Jones, 1990 The Lemon Tree Sandy Tolan, 2008-09-04 At a time when peace seems remote and darkness deepens this lucid humane hopeful book shines like a ray of light. The Times Extraordinary Tolan's narrative provides a much needed human dimension to the Israeli Palestinian conflict. Washington Post The true story of a friendship spanning religious divisions and four decades of Israeli Palestinian conflict. In the summer of 1967 not long after the Six Day War three young Palestinian men ventured into the town of Ramla in Israel. They were cousins on a pilgrimage to see their childhood homes from which they and their families had been driven out nearly twenty years earlier. One cousin had the door slammed in his face one found that his old house had been converted into a school. But the third Bashir was met at the door by a young woman named Dalia who invited him in. This poignant encounter is the starting point for the story of two families one Arab one Jewish which spans the fraught modern history of the region. In the lemon tree his father planted in the backyard of his childhood home Bashir sees a symbol of occupation. Dalia who arrived in 1948 as an infant with her family as a fugitive from Bulgaria sees hope for a people devastated by the Holocaust. Both are inevitably swept up in the fates of their people and the stories of their lives form a microcosm of more than half a century of Israeli Palestinian history. What began as a simple meeting between two young people grew into a dialogue lasting four decades. The Lemon Tree offers a much needed human perspective on this seemingly intractable conflict and reminds us not only of all that is at stake but also of all that is possible **The Lemon Tree** Rt Errill, 2016-10-18 A recipe for salvation through the eyes of a child 1 little girl 1 lemon tree 1 secret ingredient Read to see
