The Letters Of Absolon:

The Letters of Absolon Jack Mahoney, 2014-09-16 Three stories two sides one country Southerner Absolon Wilkes wants only to marry and live a peaceful life in North Carolina but the Civil War denies him both When he voices his objection to the cause of the Confederacy he is labeled a traitor and a coward As the accusations against him grow the safety of his fiancée Anne is threatened and Absolon is forced to leave his home vowing to come back to her after the war He solicits a promise from his closest friend Royal Pollard to protect her until his return Burdened with duty Royal valiantly stands between Anne and harm despite being branded a Union sympathizer and a coward for declining his commission His pain runs still deeper as he struggles to suppress his love for Anne With her husband called away to fight the loss of their infant son is too great a burden for Victoria Corbel to endure alone Disguising herself as a man she enlists in the Confederate Army taking a dangerous assignment as a courier Alone in enemy territory she rides from camp to camp following the battles determined to find her husband and fight or die at his side When the Corbel Plantation is left in the hands of a cruel overseer one slave Window Graham escapes to join the Union forces and fight for his freedom Befriended by Absolon Wilkes he learns the true meaning of war and of friendship But Window's heart is tested when he confronts his mortally wounded former owner at the bloody battle at Ringold Gap Inspired by the letters of a Civil War foot soldier these true stories are skillfully woven together in a thrilling inspirational and heart breaking tale of courage and sacrifice

Speidel traditional German liberals who came of age in the years around 1848 Germanness was an attribute that could be earned by any ambitious bourgeois including Jews and those of non German nationality by embracing German cultural values The more nationally inflected liberalism evident in the writings of Theodor Helm with its particularist rhetoric of German national property in a time of Czech gains at German expense was typical of those in the next generation educated during the 1860s The radical student politics of the 1880s with its embrace of racialist antisemitism and irredentist German nationalism just as surely shaped the discourse of certain young Wagnerian critics who emerged at the end of the century This body of music critical writing reveals a continuum of exclusivity from a conception of Germanness rooted in social class and cultural elitism to one based in blood Brodbeck neatly counters decades of musicological scholarship and offers a unique insight into the diverse ways in which educated German Austrians conceived of Germanness in music and understood their relationship to their non German fellow citizens Defining Deutschtum is sure to be an essential text for scholars of music history cultural studies and late 19th century Central European culture and society *The Dandelion Knight* Matt Weber, 2014-05-30 Altronne is the Last City harried from within by a society of vandals muckrakers and killers who call themselves the Dandelion Knight The Champions are Altronne's defenders and Mireille Absolon is their newest recruit her body and mind made superhuman her memories taken to keep her from using her new power for herself Much is not well in Altronne The shadow government that controls the Champions has bloodily ousted its own leader a capitalist prince who funds sedition has eluded the police the strange beings that support the city's unstable geology have begun to slip their chains And the Dandelion Knight wants to give Mireille her memories back No strings attached It's too good to be true of course But tampering with the Champions is high mischief and with high mischief come great spoils for the Champion who thwarts the plot The Dandelion Knight is a post post apocalyptic science fantasy Its conclusion The Flame in the Stone will appear in late 2014 **Catalogue** Maggs Bros, 1897 [Stereoscopic Views in Palestine, with descriptive letter-press. 1st series](#), 1869
