The Lincoln Lawyer Collection Michael Connelly, 2020-06-11 A superb natural storyteller Lee Child The Lincoln Lawyer There is no client as scary as an innocent man Mickey is a Lincoln Lawyer a criminal defence attorney operating out of the back of his car a Lincoln taking whatever cases the system throws at him He's been a defence lawyer for a long time and he knows just how to work the legal system When a Beverly Hills rich boy is arrested for brutally beating a woman Haller gets his first high paying client in years The evidence mounts on the defence's side and Haller might even be in the rare position of defending a client who is actually innocent But then the case starts to fall apart And neither the suspect nor the victim are quite who they seem and Haller quickly discovers that when you swim with the sharks you might just end up as prey The Brass Verdict Mickey Haller returns and this time Bosch is on the case too Defence lawyer Mickey Haller has had some problems but now he's put all that behind him and is ready to resume his career Then another lawyer Vincent dies and Haller gets an unexpected windfall he inherits all Vincent's clients putting his stalled career back on track at a stroke Not only that but Vincent had taken on a high profile and potentially lucrative murder case It'll be a trial that promises big fees and an even bigger place in the media spotlight and if Mickey can win against the odds he'll really be back in the big leagues The only problem is the detective handling the case a certain Harry Bosch is convinced the killer must be one of Vincent's clients Suddenly Mickey is faced with the biggest challenge of his career how to defend a client successfully who might just be planning to murder him The Reversal Mickey Haller and Harry Bosch together take on a seemingly unwinnable case When defence lawyer Mickey Haller is invited by the Los Angeles County District Attorney to prosecute a case for him he knows something strange is going on Mickey's one of the best American legal brains in the business and to switch sides like this would be akin to asking a fox to guard the hen house But the high profile case of Jason Jessup a convicted child killer who spent almost 25 years on death row before DNA evidence freed him is an intriguing one Eager for the publicity and drawn to the challenge Mickey takes the case with LAPD Detective Harry Bosch on board as his lead investigator But as a new trial date is set it starts to look like he's been set up Mickey and Harry are going to have to dig

deep into the past and find the truth about what really happened to the victim all those years ago in this nail biting courtroom drama
