## **The Liturgy Trap The Bible Versus Mere Tradition In Worship:**

**The Liturgy Trap** James B. Jordan, 2009-03 We hear all too often that someone has decided to leave the Evangelical Christian faith and to join the Church of Rome or Eastern Orthodoxy or High Anglicanism The lure is liturgy and tradition and since the Evangelical and Reformed churches so often have such poor worship it is not hard to understand the pull exercised by those churches that have a heritage of formality sobriety and beauty This cure however is far worse than the disease The answer to the weaknesses of Evangelicalism is not a turn toward the fallacies and errors of Rome Orthodoxy and Anglo Catholicism but a return to Biblical patterns of worship Just as there is true and false doctrine so there are true and false worship patterns In this book James B Jordan sorts out the true and the false in the area of worship practice discussing the cult of the saints the veneration of icons apostolic succession virginity and celibacy the presence of Christ at His Supper and the doctrine of tradition

**The Liturgy Trap** James B. Jordan, 1994-03-01 **The Glory of Kings** Peter J. Leithart, John Barach, 2011-09-01 Over the past several decades Reformed theologian and biblical scholar James B Jordan has produced a unique body of work His electrifying commentaries and essays on Scripture along with his penetrating writings on Trinitarian theology liturgics music and culture have inspired a growing number of pastors and theologians In this Festschrift Jordan s friends and associates celebrate his contributions by applying his methods and insights to a range of biblical theological liturgical and cultural questions The Glory of Kings aims to bring Jordan s work to the attention of a wider audience and to introduce the work of a scholar that R R Reno has called one of the most important Christian intellectuals of our day

**The Lord's Service** Jeffrey J. Meyers, 2003 The Lord s Service is a description and defense of covenant renewal worship

*Creation in Six Days* James B. Jordan, 1999 *Creation in Six Days* offers an exegetical literary and theological defense of the traditional interpretation of the Genesis account of six day creation Jordan s account is primarily designed to answer any approach to the text of Genesis such as the increasingly popular Framework Hypothesis that pits the text s literary features against its historical and narrative sense Beyond his exegetical critique of several prominent positions Jordan offers a constructive reading of the early parts of Genesis and also seeks to uncover the assumptions which attract people to the Framework Interpretation and similar views The explanation he says lies in the acceptance of many of the questionable assumptions of modern science on the part of most Christians today coupled with the pervasiveness of a gnostic or nonhistorical attitude toward the Christian faith

**Bible Matrix II: the Covenant Key** Michael Bull, 2011-09-27 Do you ever wish someone could explain the Old and New Covenants in five easy steps Behind every one of Gods covenants with man is a five fold legal treaty God introduces Himself and defines the relationship the methods the possible outcomes and the future But Gods covenants arent just legal treaties theyre personal Covenant is Gods method of maturing man Every covenant is a grand quest for the bittersweet wine of Gods kingdom but that cup is only for faithful servants men who are willing to be broken first like bread This simple five fold pattern finds its origin deep in the heart of the Trinity It not only shapes the

speeches of God but its also the structure behind every story in the Bible The Covenant Key unlocks every door      **An**
