international conspiracy involving millions of dollars and being rescued by beautiful but infuriatingly arrogant government agent Kira Anthony Despite her suspicions that Kira may not be who she claims to be Nicole can't seem to fight her growing attraction to the beguiling blonde Could it be the thrill the danger the close proximity that explains her feelings or is it a glimpse of something she's never known and can't bear to lose *sunfall* Nell Stark, Trinity Tam, 2012-05-01 In the final installment of the everafter series Valentine Darrow and Alexa Newland work to rebuild their relationship even as they find themselves at the heart of the struggle that will determine a new world order for vampires and wereshifters To survive they must defeat the growing threat posed by Balthasar Brenner who has been a thorn in the side of the vampire wereshifter Consortium for centuries The search for Brenner leads Val and Alexa deep into the heart of the Alaskan wilderness where they must confront Brenner's forces and either secure peace between the paranormal races or die in the attempt
