detective story the classic whodunit with its time displacement structure of crime according to most literary historians is of relatively recent origin Early in its development the whodunit was harshly criticized for its tightly formula bound structure Many critics prematurely proclaimed the death of the whodunit and even of detective fiction altogether Yet today the genre is alive as contemporary authors have brought it into modern times through a significant integration of elaborate character development and psychology With the modern psychological detective story emerging from the historical cauldron of detective fiction and early psychology the genre continues to develop a complexity that reflects and guides the literary sophistication needed This book the first of its kind analyzes over 150 whodunit novels and short stories across the decades from The Moonstone to the contemporary novels that saved the genre from an ignominious death **The Flemish House**

Donelson, Alleen Pace Nilsen, 1985 **The Dancer at the Gai-Moulin** Georges Simenon, 2014-08-07 The city of Simenon's youth comes to life in this new translation of this disturbing novel set in Liège. Book ten in the new Penguin Maigret series. In the darkness the main room is as vast as a cathedral. A great empty space. Some warmth is still seeping from the radiators. Delfosse strikes a match. They stop a moment to catch their breath and work out how far they have still to go. And suddenly the match falls to the ground as Delfosse gives a sharp cry and rushes back towards the washroom door. In the dark he loses his way, returns and bumps into Chabot. Maigret observes from a distance as two boys are accused of killing a rich foreigner in Liège. Their loyalty which binds them together through their adventures is put to the test and seemingly irrelevant social differences threaten their friendship and their freedom. Penguin is publishing the entire series of Maigret novels in new translations. This novel has been published in a previous translation as *Maigret at the Gai Moulin*. Maigret va passer quelques jours en Dordogne chez son ami Leduc, commissaire à la retraite. Hospitalisé à Bergerac, puis installé à l'hôtel d'Angleterre, il apprend que plusieurs crimes sadiques viennent d'être commis et qu'il a tué la victime de celui qu'on appelle le fou de Bergerac. Puisqu'il est immobilisé dans son lit, c'est Mme Maigret qui interroge pour lui les suspects.
