## **The Magnificent Defeat:**

*The Magnificent Defeat* Frederick Buechner, 1966 A collection of sermons in the form of meditations on various aspects of the religiously meaningful life grouped about the themes of surrender love and grace      **A Chorus of Witnesses** Thomas G. Long, Cornelius Plantinga, 1994 In the interest of providing exemplary models of sermons the editors have compiled examples that display excellence in form aim style and content Developed and delivered by renowned pastors theologians and homileticians the thirty six entries in this volume include sermons that make artful use of sources pursue classic aims and exhibit particular homiletic forms      *Reading Buechner* Jeffrey Munroe, 2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true essentials from across Buechner s diverse catalog as well as an overview of Buechner s life and a discussion of the state of his literary legacy today      Reading for Preaching Cornelius Plantinga, Jr., 2013-11-30 In *Reading for Preaching* Cornelius Plantinga makes a striking claim preachers who read widely will most likely become better preachers Plantinga himself a master preacher shows how a wide reading program can benefit preachers First he says good reading generates delight and the preacher who enters the world of delight goes with God Good reading can also help tune the preacher s ear for language his or her primary tool General reading can enlarge the preacher s sympathies for people and situations that she or he had previously known nothing about And above all the preacher who reads widely has the chance to become wise This beautifully written book will benefit not just preachers but anyone interested in the wisdom to be derived from reading Works that Plantinga interacts with in the book include *The Kite Runner* by Khaled Hosseini *Enrique s Journey* by Sonia Nazario *Silence* by Shusaku Endo *How Much Land Does a Man Need* by Leo Tolstoy *Narcissus Leaves the Pool* by Joseph Epstein *Les Miserables* by Victor Hugo and many more      *Stumbling over the Cross* Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world      *The Living Church* , 1966      **First Thoughts** Ken & Val Baker, 2015-10-02 This is a compilation

of four previously published rather slenderer books entitled *The God of More than Enough* *Christ the Hope of Glory* *According to the Power* and *This Hope we Have* It appears now by popular request in one volume to encourage the reading and reflection on God's word every morning It also contains the revised script of an E book from some years back entitled *First Thoughts Be My First Thought in the Morning* As a couple we always try to start and finish each day centred on God's word to let it be our first thought and our last thought And so *First Thoughts* still seems to be an appropriate title for the present volume There's a theme that comes consistently to the surface wherever we travel it's the theme of God's supply Everywhere we go we find people hungry for the truth that God is all we need that He is our supplier that He provides for every single situation So here are some of those verses that have blessed us in that discovery **The Westminster**

**Collection of Christian Meditations** Hannah Ward, Jennifer Wild, 2000-08-01 Over 500 meditations from more than 250 authors classic and contemporary are arranged by themes that address individual needs and concerns in this extensive anthology of Christian meditations **Shaping a Woman's Soul** Judith Couchman, 1996 Reading these daily devotions will help calm your spirit and lead you into God's presence **The Book of Buechner** W. Dale Brown, 2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer *The Book of Buechner* explores the ways in which Frederick Buechner's writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying *The Book of Buechner* is a much overdue literary journey through one of the most significant American writers of the last fifty years **Of Fiction and Faith** W. Dale Brown, 1997 *Of Fiction and Faith* features personal interviews with twelve of America's most significant writers interviews which provide a window into the personal and literary lives of writers with special focus on their attitudes towards issues of faith Imagining Heaven Ellen W.
