The Secret Gospel of Mark Unveiled Peter Jeffery, 2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith's interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript's text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith's Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde's Salome twentieth century misunderstandings of early Christian liturgy and Smith's personal struggles with Christian sexual morality

Christian Scholarship in the Twenty-First Century Thomas M. Crisp, Steve L. Porter, Gregg A. Ten Elshof, 2014-09-19 The Christian tradition provides a wealth of insight into perennial human questions about the shape of the good life, human happiness, virtue, justice, wealth, and poverty, spiritual growth, and much else besides. And Christian scholars can do great good by bringing that rich tradition into conversation with the broader culture. But what is the nature and purpose of distinctively Christian scholarship, and what does that imply for the life and calling of the Christian scholar? What is it about Christian scholarship that makes it Christian? Ten eminent scholars grapple with such questions in this volume. They offer deep and thought-provoking discussions of the
