**Bringing the Kingdom** Kevin Brown,2018-01-18 People have used the Bible for a variety of purposes over the course of the past two thousand years unfortunately many of those uses have reinforced power structures and systems that oppress and dominate those without privilege Worst of all people have used the Bible as a means to divide humanity into those who are worthy of salvation and those who are not However if we look at the lectionary readings especially the gospels we can see that God actively seeks to undercut and subvert systems of power and God calls Christians to do the same Through an examination of Jesus's teachings with support from a wide variety of other parts of the Bible we can see that ideas of social justice and true liberation run throughout God's message to humanity Rather than focusing on who gets into heaven and who doesn't Jesus seeks to proclaim God's love for all humanity By reading the Bible this way and attempting to live up to Jesus's call we can seek to bring the kingdom to our world as it is in heaven

**The Seven Keys to the Kingdom** Apostle Pinky,2010-12 Have you ever been wrong about anything Have you ever passionately believed in something only to find out later that you were mistaken all along It seems that every church teaches something different from that of the next one They can't all be right but it's very important to the Lord that we know the truth Which church teaches it Do any of them have the full picture How can we know that we know that what we've always been taught is accurate The only message that Jesus brought to Earth was that of the Kingdom It's repeated time after time in every word that He spoke in every book of the New Testament and foreshadowed in every book of the Old Testament Kingdom relationship is the entire reason that we were created and the only reason that Jesus came to Earth died and rose again Yet most Christians have never heard the message How can this be Because even though it has been right in front of our faces for two thousand years God has kept it hidden from our understanding until now Millions have read this truth and their eyes have been opened and their lives changed It is for our generation to finally understand the scripture This book will change your theology your heart your mind and your life God has taken what we've always thought was Christianity and turned it upside down He is showing the church how that we've had it all backwards Pinky has the gift to articulate the mind blowing scripture truths in an easy to read and hard to put down revelation You've always known in your heart that there has to be something more than going to church Hold on tight This is it
