KHALED HOSSEINI

The Kite Runner Af Khaled Hosseini

Matt Sienkiewicz

The Kite Runner Af Khaled Hosseini:

The Kite Runner Khaled Hosseini, 2011-09-05 Afghanistan 1975 Twelve year old Amir is desperate to win the local kite fighting tournament and his loyal friend Hassan promises to help him But neither of the boys can foresee what will happen to Hassan that afternoon an event that is to shatter their lives After the Russians invade and the family is forced to flee to America Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him redemption

The Other Air Force Matt Sienkiewicz, 2016-10 As it seeks to win the hearts and minds of citizens in the Muslim world the United States has poured millions of dollars into local television and radio programming hoping to generate pro American currents on Middle Eastern airwaves However as this fascinating new book shows the Middle Eastern media producers who rely on these funds are hardly puppets on an American string but instead contribute their own political and creative agendas while working within U S restrictions The Other Air Force gives readers a unique inside look at television and radio production in Afghanistan and the Palestinian territories from the isolated villages of the Afghan Panjshir Valley to the congested streets of Ramallah Communications scholar Matt Sienkiewicz explores how the U S takes a soft psy approach to its media efforts combining soft methods of encouraging entertainment programming such as adaptations of The Voice and The Apprentice with more militaristic psy ops approaches to information control Drawing from years of field research and interviews with everyone from millionaire executives to underpaid but ever resourceful cameramen Sienkiewicz considers the perspectives of the Afghan and Palestinian media workers trying to forge viable broadcasting businesses without straying outside American set boundaries for acceptable content As it carefully examines the interplay of U S military and economic might with the capacity for local ingenuity and resistance the book also analyzes the intriguingly complex programming that emerges from this tension Combining eyewitness reportage with cutting edge scholarship The Other Air Force reveals the remarkable creative output that can emerge even from the world s tensest conflict zones

Zen Under Fire: A New Zealand Woman's Story of Love & War in Afghanistan Marianne Elliott,2012-02-22 I am about to be left in charge of the office I m not sure I am ready for the responsibility so I double check with my boss He reassures me You ll be fine Marianne As long as no one kills Amanullah Khan you ll be fine By midday Amanullah Khan is dead In 2006 Marianne Elliott a human rights lawyer from New Zealand was stationed with the UN in Herat Several months into her new role an important tribal leader is assassinated while she is in charge of the local UN office She must try to defuse the situation before it leads to widespread bloodshed And this is just the beginning of her story in Afghanistan Zen Under Fire is a vivid account of Marianne s experience living and working in the world s most notorious battlefield As well as sharing the incredible details of her UN role Marianne tells the very personal story of the shattering effect that the high stress environment had on her and her relationships and asks what it really means to do good in a country that is under seige from within This is an honest moving and at times terrifying true story of a woman s time peacekeeping in one of the most dangerous places on earth Also available as an eBook

Political Violence in South Asia Ali Riaz,Zobaida Nasreen,Fahmida Zaman,2018-09-24 Political violence has remained an integral part of South Asian society for decades The region has witnessed and continued to encounter violence for achieving political objectives from above and from below Violence is perpetrated by the state by non state actors and used by the citizens as a form of resistance Ethnic insurgency religion inspired extremism and ideology driven hostility are examples of violent acts that have emerged as challenges to the states which have responded with violence in the form of civil war and through violations of human rights disregarding international norms This book explores various dimensions of political violence in South Asia namely in Bangladesh India Nepal Pakistan and Sri Lanka Each chapter either speaks to an important aspect of the political violence or provides an overall picture of the nature and scope of political violence in the respective country Political violence is understood in the larger sense of political that is above and beyond institutions and also as an integral part of social relationships where social norms and the role of individual agency play seminal roles The contributions in this book incorporate both institutional and non institutional dimensions of political

violence Exploring how everyday life in South Asian states and societies is transformed by the engagement with violence through direct and indirect methods this book adopts an interdisciplinary framework diverse methods are employed from ethnographic readings to more macro level analyses The phenomenon is explored from historical sociological and political perspectives This book will be useful as a supplementary text in courses on South Asian Studies in general and South Asian Politics in particular *Pashtun Identity and Geopolitics in Southwest Asia* Iftikhar H. Malik, 2016-07-18 *Pashtun Identity and Geopolitics in Southwest Asia* brings together Pakistan and Afghanistan as two inseparable entities by investigating areas such as the evolution and persistence of the Taliban quest for Pashtun identity the ambivalent status of the tribal region and the state of civic clusters on both sides In addition to their relations with the United States and the EU a due attention has been devoted to regional realities while looking at relations with India and China The study explores vital disciplines of ethnography history Islamic studies and international relations and benefits from a wide variety of source material The volume takes into account the salient subjects including political Islam nature and extent of violence since 9 11 failure of Western policies in the region the Drone warfare and the emergence of new regimes in Kabul Islamabad and Delhi offering fresh opportunities as well as new threat perceptions *The Lone Leopard* Sharifullah Dorani, 2022-08-01 Praise for *The Lone Leopard* Dr Sharifullah Dorani's *The Lone Leopard* is a powerful book that tells a story I will never forget an emotional roller coaster an eye opener that has the potential to become a classic over time *The Rest Journal of Politics and Development* a heart wrenching yet hopeful story of family friendship and love set against the nationalistic and religious conflicts of Afghanistan's last four decades an extremely good read *Bedfordshire Refugee and Asylum Seeker Support* a generous sensitive well researched novel which offers an informative perspective on Afghanistan's past and projects a strong sense of hope for the future *US Studies Online* an interesting suspenseful and impactful story that gradually rises in intensity and drama The book should especially appeal to those who want to learn more about Afghanistan's complex culture and recent tumultuous history *The Strategy Bridge Libraries* looking for literary fiction that can reach an exceptionally wide audience will find *The Lone Leopard* hard hitting attractive and educational all in one Ideally it also will reach into book club discussions with its special brand of personal and political reflection *Midwest Book Review* a must read for anyone working with or interested in learning about Afghans It would also be an excellent option for book clubs *Keith Shortley* thought provoking and engaging *Review Tales* fascinating *Andrea Jones BRASS* an absorbing sensitive heartbreaking and bold story It touches your heart *Review Vue* Thought provoking heartbreaking and engaging a must read historical fiction *Middle Eastern and contemporary romance drama novel* The author's thoughtful and brilliant writing style and the mesmerizing and emotional story will have readers hanging onto the author's every word *Author Anthony Avina's Blog* An eye opening story that saturates the mind and heart on many different levels *Donovan's Literary Services* a story of young lives teenage angst human affinity and grief *Sarah Collier USSO* an eye opener absorbing and revealing I heartily recommend it to anyone who

wants to enter Afghanistan mentally and emotionally Jane Marriott BRASS an ideal choice for university college courses on South Asia and the Greater Middle East CESRAN Reviews of the author's previous book His is the art of synthesis of letting the known verifiable facts speak for themselves America in Afghanistan documents forensically how the incapacity or unwillingness of the powerful to imagine the conditions of the conquered can prove devastating to the imbalances of geopolitical power The book is most powerful precisely when the anthropological distance is set aside and Dorani allows everyday Afghans to speak Their voice gives the book a human scale Charged Affairs The fact that Dorani spoke to Afghans from all walks of life in researching the book is a strength that yields many of his most cutting insights Dorani's Afghan perspective is truly invaluable Americans and Westerners should pay attention The Strategy Bridge Carter Malkasian The new book by Dr Sharifullah Dorani is not just another story of Afghanistan's troubled past but rather is a remarkable account of the country's modern history with details facts and figures that presents in its entirety the reasons that made Afghanistan in spite of its ancient and rich civilization renowned globally for all the wrong reasons U S Studies Online A valuable contribution to understanding the complex motivations causes and consequences of US policy towards Afghanistan and the internal disagreements between the actors LSE US Centre The book is extremely valuable in terms of understanding decision making towards Afghanistan crucial to courses relating to Foreign Policy Analysis especially those on the Foreign Decision Making Models CESRAN International Dorani's work provides an interesting overview of U S political history throughout the course of the Afghanistan war The Palestine Chronicle Eminently readable a must read for Afghans and others alike Peggy Mason Rideau Institute Canada Product Description 15 year old Ahmad finds it hard to live by tradition among Russians and Communist Afghans in the liberal Makroryan known as the Little Moscow of Kabul It becomes harder with the arrival in the neighbourhood of the 16 year old and fervently pro women's rights Frishta Naturally their conflicting outlooks on tradition clash Frishta calls Ahmad backward and worse a shameful coward and Ahmad accuses Frishta of being a foreign agent and worse a bad woman who has picked a war with half of the population and their way of life It is 1990s Afghanistan where a man is stripped of character if he is proved a coward and where a woman is merely seen as valuable goods and even a perception of unchastity will lose her all her worth By the time Ahmad and Frishta really get to know each other it is too late as they have seriously harmed each other and their lives will never be the same The mujahedeen run over Kabul and the civil war begins compelling Ahmad to flee to Russia and then to England But Ahmad does not realise that one day he will be forced to return to the homeland where his past catches up with him and puts him in a situation in which he has to choose to either live like a coward by betraying a once loyal friend or die with courage About The Author SHARIFULLAH DORANI was born and raised in Kabul Afghanistan and claimed asylum in the UK in 1999 He completed his PhD on the US War in Afghanistan at Durham University and authored the acclaimed America in Afghanistan Sharifullah frequently returns to Afghanistan to carry out research and is currently South Asia and the Middle Eastern Editor at CESRAN International Author

s Note The idea for writing this book was conceived in 1992 when the pro Communist Najibullah regime collapsed and the mujahideen took over Kabul Turning Shia against Sunni and vice versa setting Afghanistan s main ethnic groups of Pashtun Tajik Hazara and Uzbek against each other and accusing each other of uniting with the remnants of pro Communist members and thus not being Islamic enough the 15 or so mujahideen groups fought each other in the streets of Kabul killing tens of thousands of innocent Kabulis displacing hundreds of thousands and turning half of Kabul into mudbrick rubble with bombs rockets and cannon fire Taking refuge in the basements of our blocks while the gunfire shelling and fighting continued I decided if I made it alive to write about what we ordinary Afghans went through Unlike thousands of Kabulis I was fortunate enough to live and 18 years later in 2010 I started writing about the experience after 12 years of writing and extensive research The Lone Leopard is the result Ahmad the protagonist therefore gives a first hand account of what I and most Afghans have experienced over the past four decades in Afghanistan and in exile *Afghanistan Declassified* Brian Glyn Williams,2011-09-22 Nearly 100 000 U S soldiers were deployed to Afghanistan at the height of the campaign fighting the longest war in the nation s history But what do Americans know about the land where this conflict is taking place Many have come to have a grasp of the people history and geography of Iraq but Afghanistan remains a mystery Originally published by the U S Army to provide an overview of the country s terrain ethnic groups and history for American troops and now updated and expanded for the general public Afghanistan Declassified fills in these gaps Historian Brian Glyn Williams who has traveled to Afghanistan frequently over the past decade provides essential background to the war tracing the rise fall and reemergence of the Taliban Special sections deal with topics such as the CIA s Predator drone campaign in the Pakistani tribal zones the spread of suicide bombing from Iraq to the Afghan theater of operations and comparisons between the Soviet and U S experiences in Afghanistan To Williams a historian of Central Asia Afghanistan is not merely a theater in the war on terror It is a primeval exciting and beautiful land not only a place of danger and turmoil but also one of hospitable villagers and stunning landscapes of great cultural diversity and richness Williams brings the country to life through his own travel experiences from living with Northern Alliance Uzbek warlords to working on a major NATO base National heroes are introduced Afghanistan s varied ethnic groups are explored key battles both ancient and current are retold and this land that many see as only a frightening setting for prolonged war emerges in three dimensions Urban Cultures Of/in the United States Andrea Carosso,2010 This book collects the efforts of a team of scholars working at the University of Torino under the auspices of the Project WWS World Wide Style Focusing on diverse areas of inquiry into the transformations of the American city the essays in this volume provide perspectives for understanding the complexity of urban cultures in the United States in the late 19th 20th and early 21st centuries Organized thematically this book includes contributions in three main areas The first area covers studies in U S history and history of ideas at the turn of the 20th century in light of its migration immigration processes as well as in its representations of national greatness and cultural hegemony as reflected in World s

Fairs The second area covers analyses of American literature in the double perspective of the recent emergence of a new form of global novel as well as the developments of new subgenres of urban fiction A third area on inquiry focuses on new practices of organized religion in North America arising from the regionalization of the American metropolis in recent decades

Postwestern Cultures Susan Kollin,2007-01-01 Synthesizes topics of contemporary scholarship of the American West This work examines subjects ranging from the use of frontier rhetoric in Japanese American internment camp narratives to the emergence of agricultural tourism in the New West to the application of geographer J B Jackson s theories to vernacular or abandoned western landscapes

Controversial Books in K-12 Classrooms and Libraries Randy Bobbitt,2019-10-04 Controversial Books in K 12 Classrooms and Libraries Challenged Censored and Banned analyzes the history of controversy surrounding assigned reading in K 12 classrooms and books available in school libraries Randy Bobbitt outlines the history of book banning and controversy in the United States stemming from 1950s conservative Cold War values of patriotism and respect for authority and ramping up through the 1960s and onward as media coverage and parental intervention into the inner workings of schools increased The author claims that sensitive topics including sexuality suicide and drug use do not automatically imply the glorification of deviant behavior but can be used constructively to educate students about the reality of life Bobbitt argues that in an effort to shield children from the dangers of controversial issues parents and administrators are depriving them of the ability to discover and debate values that are inconsistent with their own and those around them teaching instead that avoidance of different viewpoints is the solution Scholars of education communication literature and policy will find this book especially useful
