The Last Great Hope:

Our Last Great Hope Dr. Ronnie Floyd, 2011-09-05 Every day we encounter scores of people headed to an eternity without God What will it take to wake us up to their desperate need for a Savior While the earth's time clock ticks away well meaning Christians go to church pay their tithes and pray for foreign missionaries going through the motions of Christian life as millions face an eternity without God If heaven is indeed for real and only those who have put their faith in Christ will be given entrance shouldn't we be making the most of every opportunity to share the Gospel the last great hope for all the world Join pastor Ronnie Floyd as he challenges readers to face reality and begin a global movement to reach the lost He says God is calling us to an awakening regarding his most urgent command found in Matthew 28:19 to go and make disciples of all nations This Great Commission is the compelling charge given to us with divine authority by our Commander in Chief Jesus Christ Our Last Great Hope will move us beyond casual and theoretical talk about the Great Commission and lead us into a Great Awakening This book could revolutionize the way we think Read it and be inspired changed and equipped Bruce Wilkinson best selling author of *The Prayer of Jabez* Floyd challenges us to engage the next generation a must read Greg Surratt lead pastor of Seacoast Church and author of *IR REV REND* This book inspires me to do extraordinary things through my most ordinary life Our Last Great Hope should be your first required read Leonard Sweet best selling author of *Jesus Manifesto* Our Last Great Hope pushes us beyond predictability and points us to a deep intimate knowledge of why we are here Ed Young Jr pastor of Fellowship Church and author of *Outrageous Contagious Joy* I'll be pulling this book off my shelf again and again Pete Wilson author of *Plan B and Empty Promises* This book is an energizing wake up call to today's churches Ed Stetzer director of LifeWay Research

The Last Best Hope Ronald Reagan, 2016 From the time he arrived on the political scene in 1964 throughout his presidency and beyond Ronald Reagan used his speeches to inspire and reinvigorate America When he spoke Reagan said he was preaching a sermon The American people saw his vision of America and his dreams for the future and they overwhelmingly responded he was re-elected in 1984 by the largest number of electoral votes in the nation's history Here in this collection of twenty-eight speeches spanning the Reagan era readers can find inspiration in Reagan's sermons From his first speech in the political arena in 1964 to his Last Letter to America informing Americans of his Alzheimer's disease Ronald Reagan's words show a profound belief in God freedom individualism limited government and his great love for his country In addition to an introduction by Reagan's son Michael Reagan each speech features an informative introduction which puts the speech into historical context making *The Last Best Hope* the perfect entrance into the influence of one of the major figures of the 20th century

America-The Last Best Hope Volumes I and II William J. Bennett, 2007-10-14 William J Bennett reacquaints America with its heritage in two volumes of America The Last Best Hope While national test scores reveal that American students know startlingly little about their history former U S Education Secretary William J Bennett offers one of the most gripping and memorable versions of the American story in print The two volumes of Bennett s New York Times bestselling epic America The Last Best Hope cover Columbus s discovery of the New World in the fifteenth century to the fall of world communism in the twentieth Now both volumes are available in a convenient and attractive slip case complete with a bonus audio CD Remembering Ronald Reagan featuring recollections and commentary by Jeane Kirkpatrick Edwin Meese and others Bill Bennett brings American history to life with stories such as the coup d etat quelled by a pair of reading glasses the U S senator nearly caned to death on the Senate floor the presidential pardon for hundreds of Sioux warriors one ex president s race to finish his memoirs and the famous humorist who helped him when Time magazine named Hitler man of the year Eisenhower s bold actions documenting the horrors of the Holocaust Nixon s comic opera uniforms for White House guards Reagan s most famous example of just saying No From heroism of the Revolution to the dire hours of the Civil War from the progressive reforms of the early 1900s to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War Bennett slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism Praise for America The Last Best Hope This is the American history that Abraham Lincoln has long awaited Harry V Jaffa Crisis of the House Divided Bennett has a gift for choosing the pithy revealing anecdote and for providing fresh character sketches and critical analyses of the leading figures This is an American history that adults will find refreshing and enlightening and that younger readers will find a darn good read Michael Barone US News World Report A worthy and necessary book for our time Michael J Lewis Commentary Bennett has a strong sense of narrative a flair for anecdote and a lively style And the American story really is a remarkable one filled with its share of brilliant leaders and tragic mistakes Bennett brings that story to life Alan Wolfe The Washington Post The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett s wonderfully readable book is so important He puts our nation s triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it s useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I ve read in a very long time It s silly to compare

great works of history to great novels but this book truly is a page turner Brad Miner American Compass This lively book acknowledges mistakes and shortcomings yet patriotically asserts that the American experiment in democracy is still a success story School Library Journal **America: The Last Best Hope (Volume III)** William J. Bennett, 2011-10-10

America began to breathe easy at the close of the Cold War and loosened its grip on the fear of nuclear confrontation for the first time since World War Two Peace was palpable but in retrospect the years between 1988 and 2008 were as rocky as they were uncertain Turbulence not tranquility marked the turn of the century the war on drugs race riots values debates deep economic shifts and the growing threat of terrorism on U S soil that would tragically play out on September 11 2001 In this the third volume of America The Last Best Hope William J Bennett explores America s recent and momentous history the fall of the Berlin Wall and the collapse of global Communism sweeping changes in political and popular culture the war on terror and the election of America s first African American president Surveying the players personalities and pivotal moments

Bennett captures this recent chapter in the American story with piercing insight and unrelenting optimism America: The Last Best Hope (Volume II) William J. Bennett, 2008-04-06 Respected scholar William Bennett reacquaints America with its heritage in the second volume of America The Last Best Hope Volume II This engaging narrative slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism **America-The Last Best**

road map for the movement and the country Delivering a searing indictment of the political leaders who have led us astray Scarborough inspires conservatives to reclaim their heritage by drawing upon the strength of the movement's rich history With independent thinking and straight talk Scarborough explains How Washington and Wall Street conspired to create the housing bubble that caused America's financial meltdown How the candidate of change has not only maintained but accelerated the reckless spending policies that led us to this historic economic collapse How Washington's bailout culture will cripple America's future if left unchecked How Barack Obama's stimulus plan devolved into a socialist spending spree that would make FDR and LBJ shudder And how conservatives need to take a closer look at Ronald Reagan's political career before claiming his great legacy A fearlessly argued conservative manifesto that brings American conservatism into the twenty first century *The Last Best Hope* is a must read for all who care about the direction America is heading *Star Trek: Picard: The Last Best Hope* Una McCormack, 2020-02-11 The USA TODAY bestseller based on the new Star Trek TV series Fifteen years ago you led us out of the darkness You commanded the greatest rescue armada in history Then the unimaginable What did that cost you Your faith Your faith in us Your faith in yourself Tell us why did you leave Starfleet Admiral Every end has a beginning and this electrifying novel details the events leading into the new Star Trek TV series introducing you to brand new characters featured in the life of Jean Luc Picard widely considered to be one of the most popular and recognizable characters in all of science fiction *America - The Last Best Hope* William J.
