The Last Miracle:

The Last Miracle Stefan Zweig, 2025-09-09 A unique collection of stories presented together here for the first time from one of the great voices of the European Jewish diaspora This collection from one of the great pre war writers himself a member of Europe s Jewish diaspora highlights the precarious position that Jewish people have occupied throughout millennia in stories that move across centuries and nations but show the unchanging pressure of outsider status But these stories are about individuals too in Zweig s treatment the particular passions of particular hearts will always blaze out brightly against the levelling forces of history In *Mendel the Bibliophile* a bookseller s obsession with his wares blinds him to the progress of war and the threat it poses to his own life *Monomania* is also an overpowering force in *Downfall of the Heart* in which an aging father cannot accept his daughter s embrace of new freedoms *The Miracles of Life* is a masterfully ironic tale which plays with the tension between faith and morality society and individual against the backdrop of 1500s Antwerp and the Dutch rebellion against Spanish rule In *In the Snow* sees a Jewish community in medieval Eastern Europe fleeing the violence of a Christian sect And in the longest piece in the collection the novella *The Buried Candelabrum* we go all the way back to the ancient world where the recovery of a sacred seven branched candlestick stolen during the sack of Rome will become a young Jewish boy s life s mission

The Last Miracle Donald E. Watson, 2000-06 Paul and Lori lingered in bed relishing their solitude He stroked the smooth curve that extended from her thigh over her hip to the valley of her waist then up again to the margin of her breast But the warning from Mariner their mysterious mentor prowled his thoughts If successful in this mission you ll be hated scorned vilified and persecuted You might even lose your lives You can still turn back but this might be your last opportunity Despite Mariner s caveat the soul mates had felt compelled to accept the mission Mariner Paul said you ve given us the most powerful technology humans can imagine It can heal terrible diseases but it can kill to And from what history has taught us Lori added we know that human leaders will use it for killing first and healing last Yes Mariner replied you re in a race Healing or killing Which will win They got their first hint soon after they publicly revealed the carefully nurtured secrets Mariner had taught them They were threatened in turn by military agents and an ambitious newspaper reporter Mariner had been right Their tranquility had shattered and it was too late to turn back

AUTHOR BIO When five years old Dr Watson asked two questions How do i know I exist and What does it mean to die After finding the answers in the *Theory of Enformed Systems* he used his experience in psychiatry neuroscience parapsychology law and politics to share them in this adventure story

Weinandy,2021-03-26 Jesus Becoming Jesus Volume 2 A Theological Interpretation of the Gospel of John Prologue and the Book of Signs follows upon the first volume of this series entitled Jesus Becoming Jesus The first volume was a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John s Gospel He does this in the light of the Church s doctrinal and theological tradition particularly in keeping with the Second Vatican Council s Dogmatic Constitution Dei Verbum This is accomplished through a close reading of John s Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John s Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings This original theological interpretation focuses primarily on the intertwining theological themes contained within John s Gospel specifically within the Prologue and the Book of Signs light and darkness the seven miracle signs the sacraments of baptism and the Eucharist the seven I Am sayings the contentious dialogues with the Jews Jesus relationship to his Father as the Father s incarnate Word and Son etc Within all of these interlocking themes one finds the importance of Jesus saving actions the salvific works of his Father The overarching theme of this book as the title suggests is that Jesus being named Jesus throughout his public ministry is enacting his name and so becoming who he is YHWH Saves

Weinandy offers a singular vibrant and luminous reading of John's Gospel one that reveals the Evangelist's theological depth and doctrinal sophistication. In so doing Weinandy makes manifest the particular beauty of the Gospel According to John.

Wonderful works, or, The miracles of Christ, by a clergyman's daughter [E.Clacy]. Ellen Clacy, 1873 **The Four Gospels** William S. Stobb, 2015-06-18 The Four Gospels have been read and studied for nearly 2 000 years. As early as the second century Irenaeus Church father and martyr declared that four accounts of the life of Christ were needed no more and no less. Yet many Christians in spite of the numerous and excellent commentaries available today cannot answer the question: Why four Gospels? This in-depth volume which took 20 years to research and 10 years to write clearly reveals the necessity of a four-fold portrait of Christ. Selected excerpts from some of the most celebrated writers of the past such as A. Edersheim, Chas. Erdman, F. W. Farrar, Edw. Gibbon, F. L. Godet, D. S. Gregory, F. W. Krummacher, H. H. Milman, G. Campbell Morgan, Arthur Pink, Sir Wm. Ramsay, Chas. Rollin, R. C. Trench, B. F. Westcott and scores of others are incorporated throughout the book in order to explain and substantiate the historical background and characteristic differences of the Four Gospels. This work is an excellent reference for teachers, students and historians but is designed for Christians in all walks of life. A homeschooling mother stated that the work is quite readable even by a pressured mom and very worthwhile. I especially like the organization of the book which helped me keep my bearings. The history is fascinating and helpful. **The Ongoing Feast** Arthur A. Just, 1993 From the perspective of the Emmaus narrative in Luke 24 this study is a literary critical analysis of Jesus' table fellowship as an expression of the eschatological kingdom. The first time Jesus is recognized by faith as the crucified and now risen Messiah occurs at Emmaus through his teaching on the road and in the breaking of the bread. Emmaus is the transition between the meals of Jesus and early Christian meals setting the pattern of Christian worship as one of word and meal.

The Gospel as Epic in Late Antiquity Carl P. E. Springer, 1988 *The Invisible Pyramid* Loren Eiseley, 2016-11-15 A revered ecologist and conservationist examines the origins and possible futures of humankind within the context of the Space Age masterfully communicating the awesome spectacle of our environmental crisis. New York Times Book Review To read Loren Eiseley is to renew a sense of wonder at the miracles and paradoxes of evolution and the ever-changing diversity of life. In this brilliant collection he considers the cosmological significance and ultimate meanings of our evolutionary history offering a series of profound lyrical meditations on the origins and possible futures of humankind against the backdrop of the Apollo landings. As Western civilization attains new heights of scientific awareness and technological skill he asks: is it also blind to its own limits and destructive capacities? Always a fond observer of the natural world Eiseley makes a newly urgent environmentalist plea. In *The Invisible Pyramid* we must protect the fragile world island against our unchecked power to pollute and consume it. A relentless haunting and haunted figure devils the man Eiseley and twists from him some of the best prose we have. Eiseley is a master of significant anecdote. There is an unstated but real gothic terror prowling behind his vision. New York Times Book Review **The Church of England quarterly review**, 1855 Thoughts Upon the Liturgical

Gospels Edward Meyrick Goulburn, 1886 Figuring the Feminine Jill Ross, 2008-01-01 Figuring the Feminine examines the female body as a means of articulating questions of literary authority and practice within the cultural spheres of the Iberian Peninsula both Romance and Semitic as well as in the larger Latinate literary culture. It demonstrates the centrality in medieval literary culture of the gendering of rhetorical and hermeneutical acts involved in the creation of texts and meaning and the importance of the medieval Iberian textual tradition in this process, a complex multicultural tradition that is often overlooked in medieval literary scholarship. This study adopts an innovative methodology informed by current theories of the body and gender to approach Hispanic literature from a feminist perspective. Jill Ross offers new readings of medieval Hispanic texts in Latin, Castilian, and Hebrew, including Prudentius' *Peristephanon*, Gonzalo de Berceo's *Milagros de Nuestra Señora*, Shem Tov of Carrión's *Battle Between the Pen and the Scissors*, and several others. She highlights ways in which these texts contribute to the understanding of gender in medieval poetics and foreground questions of literary and cultural import. Figuring the Feminine argues that the bodies of women are crucial to the working out of such questions as the unsettling shift from orality to literacy, textual instability, cultural dissonance, and the resistance to cultural and religious hegemony.
