The Law Of Carriage Of Goods By Sea Paperback:

Carriage of Goods by Sea John F. Wilson, 2004 Carriage of Goods by Sea is the definitive textbook on this important area of international trade law and is suitable for both undergraduate and postgraduate students. Written by an expert in the field, it provides an authoritative in depth and critical survey of all aspects of the law relating to carriage of goods by sea. The book successfully combines a clear analysis of legal principles with sound practical considerations allowing for a more complete treatment of the subject. **BOOK JACKET**

Carriage of Goods by Sea John Furness Wilson, 2010 This book is the definitive guide to all aspects of this important part of International Trade Law. Relied upon by generations of students and practitioners alike, this market leading text is renowned for combining a critical in depth examination of all aspects of the law relating to the carriage of goods by sea.

The Law of Carriage of Goods by Sea Arun Kasi, 2021 This book, written in three parts, introduces the reader to the basics of the international trade and elaborates on bills of lading and charterparties in depth. While the book is based on the English law cases and materials from other jurisdictions, particularly Singapore, Malaysia, India, the USA and Australia are brought in to provide an international perspective. The practical analyses, commentary and critiques of cases would be a useful guide for practitioners in developing case arguments. Although written with practitioners, academicians and students in mind, the book will also serve as a useful guide for sea carriers, freight forwarders, international traders, financiers etc. as the complex subject is presented in a reader friendly and easy to grasp manner. Arun Kasi is a barrister specializing in maritime law. He undertakes court matters as well as work as arbitrator and arbitration counsel under the terms of London Maritime Arbitrators Association (LMAA) and Singapore Chamber of Maritime Arbitration (SCMA). He holds a doctorate degree in maritime law. He graduated with his law degree when he was 19 years old and has been working in the field since then. To date, over a span of three decades, he has authored six books and about 50 articles.

The Law of Carriage of Goods by Sea Lachmi Singh, 2012-01-01 This book provides a comprehensive overview and insight into the legal aspects of sea carriage and its surrounding issues. The book will enable law students, both new to the subject as well as those seeking to advance their knowledge, to understand the often technical and complicated nature of the law in this area better. It includes relevant case excerpts, statutory materials, and exam and coursework related questions and diagrams to aid understanding of the subject. The areas covered include bills of lading, charter parties, international and domestic regulations, rights and obligations of the parties under a contract of carriage, limitations of liability, remedies.
