The Long Ships Frans Gunnar Bengtsson,1961

The Long Ships: A Saga of the Viking Age Frans G.

Bengtsson,2014-03-13 This saga brings alive the world of the 10th century AD when the Vikings raided the coasts of England

The Long Ships Frans Gunnar Bengtsson,2016 Set in the tenth century when Vikings roamed and rampaged from

Scandinavia to the Mediterranean A boy abducted by the Vikings from his Danish home is made to take his place at the oars of their ships Later he is captured by the Moors in Spain and escaping from captivity washes up in Ireland where he marvels at the Christian monks Eventually he contributes to the Viking defeat of the army of the king of England and returns home a Christian and a very rich man

THE SAGA OF OLAF THE GLORIOUS - A Story of the Viking Age Robert Leighton,2018-10-01 OLAF TRYGGVASON the hero of this saga is not an imaginary one he was a real flesh and blood man who eventually reigned as King of Norway just over a thousand years ago His life reads as only a Viking Saga could and should Herein you will find the salient facts of his adventurous and outstanding life They are his boyhood of slavery in Estonia his life at the court of King Valdemar his wanderings as a Viking the many battles he fought on land and sea his conversion to Christianity in England and his ultimate return to his native Norway where he reigned as King are set forth in this volume which if summarised would make for a cracking campfire yarn The events related herein can be found in the various Icelandic sagas dealing with the period in which he lived In short Olaf was your archetypal Viking Very few authors could pen a saga that mirrors the life of Olaf and many have tried However in penning this story Leighton made full and free use of these old time records and added only such probable incidents as were necessary to give a thread of continuity to the reader NOTE For the convenience of readers who may wish for greater exactness Olaf Triggvason was born A D 963 and he started on his wanderings as a Viking in the year A D 981 The sea fight between the Vikings of Jomsburg and the Norwegians took place in A D 986 and the battle of Maldon in the year A D 991 Olaf reigned only five years as King of Norway being crowned in 995 and ending his reign with his death in the glorious defeat at Svold in the year A D 1000 10% of the publisher s profit from the sale of this book will be donated to UNICEF KEYWORDS

The Viking Age Angus A. Somerville, R. Andrew McDonald, 2025-02-28 The fourth edition of The Viking Age provides an extensive deep dive into the world of the Vikings spanning from the eighth and ninth centuries to the present while also featuring key scholarly interpretations from the late twentieth and early twenty first centuries Building on the structure and content of previous editions nearly every chapter has been reworked and expanded with the addition of an entirely new chapter on commerce and trade This edition broadens the range of materials while preserving the innovations of earlier editions and advancing them in new directions In The Viking Age readers are submerged in a comprehensive exploration of the Viking era covering essential topics such as the role of women in Viking society the significance of slavery in the Viking economy commerce and trade the use of Arabic sources Viking religion fertility gods guardian spirits the exploits of the Norse kings of Man and the Isles the importance of Scandinavian and maritime law the enduring legacy of the Vikings and more This extensively revised edition ultimately brings the Vikings and their world to life for twenty first century students and instructors

Seamus Heaney Floyd Collins, 2003 This book traces Nobel laureate Seamus Heaney s development as a poet from his first book of poetry through his most recent Electric Light Each chapter examines a particular phase of Heaney s poetic career with close careful readings of those poems that best dramatize his crisis of identity

The Viking Age Vol.2 (of 2) (Illustrations) Paul B. Du Chaillu, While studying the progress made in the colonisation of different parts of the world by European nations I have often asked myself the following questions How is it that over every region of the globe the spread of the English speaking people and of their language far exceeds that of all the other European nations combined Why is it that wherever the English speaking people have settled or are at this day found even in small numbers they are far more energetic daring adventurous and prosperous and understand the art of self government and of ruling alien peoples far better than other colonising nations Whence do the English speaking communities derive the remarkable energy they possess for the people of Britain when invaded by the Romans did not show any such quality What are the causes which have made the English such a pre eminently seafaring people for without such a characteristic they could not have been the founders of so many states and colonies speaking the English tongue In studying the history of the world we find that all the nations which have risen to high power and widespread dominion have been founded by men endowed with great I may say terrible energy extreme bravery and the love of conquest being the most prominent traits of their character The mighty sword with all its evils has thus far always proved a great engine of civilisation To get a satisfactory answer to the above questions we must go far back and study the

history of the race who settled in Britain during and after the Roman occupation We shall thus find why their descendants are to day so brave successful energetic and prosperous in the lands which they have colonised and why they are so pre eminently skilled in the art of self government We find that a long stretch of coast is not sufficient though necessary to make the population of a country a seafaring nation When the Romans invaded Britain the Brits had no fleet to oppose them We do not until a later period meet with that love of the sea which is so characteristically English not before the gradual absorption of the earlier inhabitants by a blue eyed and yellow haired seafaring people who succeeded in planting themselves and their language in the country To the numerous warlike and ocean loving tribes of the North the ancestors of the English speaking people we must look for the transformation that took place in Britain In their descendants we recognise to this day many of the very same traits of character which these old Northmen possessed as will be seen on the perusal of this work Britain after a continuous immigration which lasted several hundred years became the most powerful colony of the Northern tribes several of the chiefs of the latter claiming to own a great part of England in the seventh and eighth centuries At last the time came when the land of the emigrants waxed more powerful more populous than the mother country and asserted her independence and to day the people of England as they look over the broad Atlantic may discern a similar process which is taking place in the New World The impartial mind which rises above the prejudice of nationality must acknowledge that no country will leave a more glorious impress upon the history of the world than England Her work cannot be undone should she to day sink beneath the seas which bathe her shores her record will for ever stand brilliantly illuminated on the page of history The great states which she has founded which have inherited her tongue and which are destined to play a most important part in the future of civilisation will be witnesses of the mighty work she has accomplished They will look back with pride to the progenitors of their race who lived in the glorious and never to be forgotten countries of the North the birthplace of a new epoch in the history of mankind To be continue in this ebook **Catalogue of Copyright Entries** ,1954 **The Vikings Reimagined** Tom Birkett,Roderick Dale,2020-01-20 The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline **Catalog of Copyright Entries. Congress Catalogs Library of Congress,1955 *Aelfred's Britain* Max Adams,2017-11-02 The story of Aelfred the Great his war against the Vikings and the foundations of modern Britain In AD 865 a great host of battle hardened Norse warriors landed on England s eastern coast overwhelmed East Anglia with terrifying swiftness and laid the North to waste Ghosting along estuaries and inshore waters in 871 they penetrated deep into the southern kingdom of Wessex ruled over by a new and untested king lfred son of elwulf It seemed as though the End of Days was come Max Adams tells the story of the heroic efforts of lfred his successors and fellow kings of Britain to adapt and survive in the face of an apocalyptic threat and in so doing to lay the foundations of the nations of modern Britain in all their regional diversity Scottish Geographical Magazine ,1890 **Twentieth Century Literary Criticism** Laurie DiMauro,1993-04 Presents literary criticism on the works of twentieth century writers of all genres nations and cultures Critical essays are selected from leading sources including published journals magazines books reviews diaries interviews radio and television transcripts pamphlets and scholarly papers **Sidney Poitier** Aram Goudsouzian,2011-01-20 In the first full biography of actor Sidney Poitier Aram Goudsouzian analyzes the life and career of a Hollywood legend from his childhood in the Bahamas to his 2002 Oscar for lifetime achievement Poitier is a gifted actor a great American success story an intriguing personality and a political symbol his life and career illuminate America s racial history In such films as *Lilies of the Field* *In the Heat of the Night* and *Guess Who s Coming to Dinner* Poitier s middle class mannered virtuous screen persona contradicted prevailing film stereotypes of blacks as half wits comic servants or oversexed threats His screen image and public support of nonviolent integration assuaged the fears of a broad political center and by 1968 Poitier was voted America s favorite movie star Through careful readings of every Poitier film Goudsouzian shows that Poitier s characters often made sacrifices for the good of whites and rarely displayed sexuality As the only black leading man during the civil rights era Poitier chose roles and public positions that negotiated the struggle for dignity By 1970 times had changed and Poitier was the target of a backlash from film critics and black radicals as the new heroes of blaxploitation movies reversed the Poitier model In the 1970s Poitier shifted his considerable talents toward directing starring in and producing popular movies that employed many African Americans both on and off screen After a long hiatus he returned to starring roles in the late 1980s More recently the film industry has reappraised his career and Poitier has received numerous honors recognizing his multi faceted work for black equality in Hollywood As this biography affirms Poitier remains one of American popular culture s foremost symbols of the possibilities for and limits of racial equality **The Viking King's Golden Treasure** Sven Rosborn,2021-06-13 A newly discovered material rewrites early Danish Viking history In 2014 a 11 year old girl Maja Sielski and her younger sister Julia made a sensational discovery among their deceased grandmother s belongings They found a small golden plate with a Latin script telling a story of the legendary Viking king Harald Bluetooth It soon turned out that the golden plate was once placed in the king s tomb and this tomb contained world s largest known golden treasure of Viking era A transcript of a previously

completely unknown chronicle *Gesta Wulinensis ecclesiae pontificum* from the 990s has also been found The manuscript was written by the king's own priest Avico probably in an attempt to canonize the king after his death in year 985 Avico has been in the service of the king since the 950s His extensive account gives a remarkable and dramatic picture of the Viking age Scandinavia during the 10th century Here is a story of the struggle for power and the foundation of the future dynasties in Denmark Sweden and Norway as well as Viking raids in Ireland and England The account also tells of the founding of the legendary Viking fortress of Jomsborg and the fortress's powerful mercenaries The book describes in detail these unique facts but it also gives an overall picture of the Viking Age era for those who are not familiar with the subject

The Curmsun Disc The Curmsun Disc is a concave gold disc of a weight of 25.23 grams (0.890 oz) and a diameter of 4.5 centimetres (1.8 in) The Danish Viking king Harald Bluetooth and the name of the stronghold of Jomsborg is mentioned in the Latin inscription on the disc The disc was reportedly found as part of a Viking Age hoard discovered in 1841 in the cellar crypt of the ruined chapel at Gro Weckow village in Pomerania This location is just east of the bank of the river Dievenow and near the place where the semi-legendary Viking stronghold of Jomsborg stood between the 960s and 1043 According to the author the entrance to the crypt was accidentally discovered by a 12-year-old Heinrich Boldt actor Ben Affleck's said to be maternal great-great grandfather who was playing with some younger children at a construction site near the ruined chapel
