America back into the light Chamberlain knows exactly where to find such a leader A man who is currently being held in the most secure and dangerous prison in the country where his treasonous ideals cannot be heard A man whose refusal to bow to those who proudly claim slavery as a way of life has already made him a legend A man they must rescue at all costs A man called Lincoln

**Destiny of Dragons** Jack Campbell, 2018-05-22 In the thrilling conclusion to the Legacy of Dragons trilogy ancient weapons of mass destruction lie hidden under the city of Pacta Servanda Remnants of the Great Guilds and rebellious factions of the Empire want to seize those weapons to allow them to regain control of the world of Dematr Only Jason brought by the first ship from Earth since the colony failed might be able to disarm the threat But he also might know how to employ those weapons making him a danger for all sides Standing between those threats is Kira of Dematr But Kira who inexplicably has been able to manifest Mage powers as well as technical skills finds herself being consumed by the mental conflicts between those powers and skills As rogue Mechanics Mages and mercenaries attack with every weapon at their disposal Kira suffers more blackouts and begins to lose her mind The fate of her world rests on whether she can stay alive and find answers in time to problems that no one else has ever confronted

The Dragons of Dorcastle Jack Campbell, 2015-04-03 Dematr is a world ruled by the diametrically opposed Mage and Mechanic Guilds For centuries the two Great Guilds have been bitter rivals But now a Storm approaches one that could sweep away everything that humans have built Only one person has any chance of uniting enough of the world behind to stop the Storm Mari is a brilliant young Mechanic just out of the Guild Halls where she has spent most of her life learning how to run the steam locomotives and other devices of her Guild Alain is the youngest Mage ever to learn how to change the world he sees with the power of his mind Each has been taught that the works of the other's Guild are frauds But when their caravan is destroyed they must join forces Their union could save the world from the approaching Storm but it could also upend the Great Guilds who will stop at nothing to preserve their power Mari and Alain will have to choose between protecting their lives and their Guilds or risking everything to protect Dematr from the coming Storm

*Blood of Dragons* Jack Campbell, 2017-12-15 Twenty years after the war that overthrew the Great Guilds the Empire is vowing to avenge the massive defeat of the Imperial legions at Dorcastle Aiding the Imperials are renegade Mechanics and Mages still loyal to the old Guilds or employed by the Empire But before they can launch an all out war the Imperials must eliminate a major threat Kira daughter of Master Mechanic Mari and Master of Mages Alain Kidnapped and imprisoned Kira has to escape and avoid recapture as the full might of the Empire is aimed at her Her only hope lies in the skills she has mastered her indomitable spirit and the unfailing aid of Jason her boyfriend from the distant world of Urth With the Imperial legions closing in and thousands of lives riding on her efforts Kira has to use every weapon available to her including special abilities she has kept secret until now abilities that may prove to be as dangerous as the enemy forces Mari and Alain must come to Kira's aid and work to create an alliance against the Empire If they fail a deadlier new war will erupt with every soldier carrying a rifle instead of a sword or crossbow and the

Peace of the Daughter will end in a bloodbath A fun and action packed adventure Steampunk and fantasy are probably two of my most favorite genres so it s always fun to read a book that mashes them together in interesting ways The Arched Doorway

**The Assassins of Altis** Jack Campbell,2015-11-16 Trapped within the dead city of Marandur Master Mechanic Mari and Mage Alain must escape both merciless barbarians and the pitiless Imperial Legion Beyond those dangers lie the mightiest and most unforgiving powers in the world of Dematr the Great Guilds that rule the world with iron fists Mari s Mechanics Guild and Alain s Mage Guild have always been enemies but they are united in wanting to kill their rogue members before Mari can fulfill the ancient prophecy of being the one who will finally overthrow their power Mari and Alain must risk those dangers because halfway across their world lies a place where truth has long been hidden A place that could explain why their world s history begins abruptly with no hints of what came before A place where they might learn how the Mechanics Guild came to control all technology and how the Mages manage to alter reality temporarily A place that might tell them how to achieve a task that appears to be impossible Never before have a Mage and a Mechanic worked together and their combined talents offer their only hope But she and Alain must first survive the deadly and implacable Assassins of Altis

**The Wrath of the Great Guilds** Jack Campbell,2016-12-01 New York Times best selling author Jack Campbell s epic series The Pillars of Reality reaches its exciting conclusion The Great Guilds fearing the loss of their control of the world of Dematr have gathered their power and joined it with the relentless legions of the Empire The full might of that host will fall upon the fortress city of Dorcastle If Dorcastle falls the revolt led by Master Mechanic Mari and Mage Alain will fail and their world will soon descend into chaos Only Mari believed to be the daughter of an ancient prophecy can inspire the people and lead the defense of Dorcastle The prophecy says she has a chance to win but it doesn t say she will survive Alain will stand by her both willing to die for the other but neither one knows if their sacrifices will mean victory As they battle the Imperial legions and see friends fall Mari and Alain face their greatest challenges And if they somehow win in the face of impossible odds neither one can be certain what sort of world that victory will produce
