 to put the work into doing so this is definitely the book for you Completely filled with some amazing insights ideas and tips
 that come from experience His ideas are some that I ve never seen in other books This book alone completely changed how I
 approach giving offerings to spirits and deities Mat Auryn author of *Psychic Witch* This book is about real magick effecting
 real change in a real world There are some books on magick that teach it purely as spiritual advancement There are others
 that teach it as a form of psychological self help that effects only inner change While magick can and should be both of these
 it is something more The Sorcerer s Secrets is about success in practical magick it is a book that aims at change in both the
 outer and inner worlds Beyond a mere spell book or training course The Sorcerer s Secrets is a field manual on successful
 sorcery written by a professional sorcerer The first part of the book lays out the qualities concepts and exercises necessary to
 attempt practical magick The second part presents clear strategies for tackling almost any type of issue with sorcery In this
 book you will learn how to Attack problems from multiple angles not just by casting a spell Blend mundane and magickal
 action to ensure success Figure out whether what you are doing is working Fix it if it isn t Go beyond readings into magickal
 intelligence gathering Influence the minds of other people Work most effectively on behalf of others The Sorcerer s Secrets
 will help rescue the art of Magick from those who have ignored downplayed or just outright denied the existence of practical
 sorcery in favor of arcane titles intangible results and fantasy attainments *The Bradys and the Magic Ring; Or, The Case
