The Salvation Army Year Book 2015:

The Salvation Army Year Book 2015 Deslea Maxwell, 2014-11 The Salvation Army an international movement is an evangelical part of the universal Christian Church This is their 2015 year book The Salvation Army Year Book Theodore H. Kitching, 2006 Yearbook of International Organizations 2014-2015 (Volume 4) Union Of International Associations, Union of International Associations, 2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations **The Statesman's Yearbook 2015** B. Turner, 2016-12-27 Now in its 151st edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions <http://www.statesmansyearbook.com> *The Salvation Army Yearbook*, 1963 **Saved to Save and Saved to Serve** Harold Hill, 2017-07-24 The Salvation Army has now been around for more than one hundred and fifty years having celebrated its sesquicentennial in 2015 with an International Congress in London Over the years both the Army and the world in which it appeared have changed beyond recognition This is a good time for the movement to stop and look back not just to celebrate but to see where it is today The Army has not evolved in isolation from the world Bringing its own history with it it nevertheless belongs to the twenty first century world as much as William Booth's little East End Mission belonged to nineteenth century London This book attempts to explore the interaction between mission and world as it has impacted the Army's beliefs and practices as well as the place it now occupies in the wider world This critical and analytical study may also be of interest to those beyond the Army's ranks who would like to learn more about this remarkable organization *The Salvation Army* Stephen Huggins, 2022-09-15 In 2015 the Salvation Army celebrated the 150th anniversary of its birth in the poverty and squalor of London's East End Today the Army is to be found in towns and cities throughout Britain its members readily recognized through their military uniform and their reputation for good works widely acknowledged Many people however are unaware of the origins and subsequent development of the organisation At times Salvationists were imprisoned beaten up in street riots and ridiculed in the press for their religious beliefs Despite this persecution the Army put in place a program of help for the poor and marginalised of such ambition that it radically altered social thinking about poverty There

have been very few attempts at writing a wider and accessible account which locates the Army in its historical context This is something of an omission given that it has made a unique contribution to the changing social cultural and religious landscape of Britain The Salvation Army 150 years of Blood and Fire aims to provide a history of the organisation for the general reader and is for anyone who is interested in the interplay of people ideas and events The book reveals how the story of the Salvation Army raises fundamental questions about issues of power class gender and race in modern society all as pertinent today as they were in Victorian Britain The Salvation Army 150 years of Blood and Fire also makes an extensive use of pictures illustrative of the Army s history gathered from around the world most of which have never previously been published

[The Statesman's Yearbook 2013](#) B. Turner,2017-01-12 Now in its 149th edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions [www statesmansyearbook com](http://www.statesmansyearbook.com)

Christian Warfare in Rhodesia-Zimbabwe Norman Murdoch,2015-01-19 Christian Warfare in Rhodesia Zimbabwe examines the history of the Salvation Army in Rhodesia Zimbabwe and its relationships with the state and with the rest of the church In particular it examines parallels between events of the first Chimurenga a rising against European occupation in 1896 97 and the second Chimurenga in the 1970s the civil war that led to majority rule At the time of the first the Salvation Army was barely established in the country by the second it was part of the establishment The book explores the enmeshment of this Christian mission in the institutions of white rule and the painful process of disentanglement necessary by the late twentieth century Stories of martyrdom and colonial mythology are set in the carefully researched context of ecumenical relations and the Salvation Army s largely unknown and seldom accessible internal politics

Africa Yearbook Volume 14 ,2018-12-24 The Africa Yearbook covers major domestic political developments the foreign policy and socio economic trends in sub Sahara Africa all related to developments in one calendar year The Yearbook contains articles on all sub Saharan states each of the four sub regions West Central Eastern Southern Africa focusing on major cross border developments and sub regional organizations as well as one article on continental developments and one on African European relations While the articles have thorough academic quality the Yearbook is mainly oriented to the requirements of a large range of target groups students politicians diplomats administrators journalists teachers practitioners in the field of development aid as well as business people

Christianity in China Xiaoxin Wu, 2015-07-17 Now revised and updated to incorporate numerous new materials this is the major source for researching American Christian activity in China especially that of missions and missionaries It provides a thorough introduction and guide to primary and secondary sources on Christian enterprises and individuals in China that are preserved in hundreds of libraries archives historical societies headquarters of religious orders and other repositories in the United States It includes data from the beginnings of Christianity in China in the early eighth century through 1952 when American missionary activity in China virtually ceased For this new edition the institutional base has shifted from the Princeton Theological Seminary Protestant to the Ricci Institute for Chinese Western Cultural Relations at the University of San Francisco Jesuit reflecting the ecumenical nature of this monumental undertaking [The Statesman's Yearbook 2024](#) Palgrave Macmillan, 2024-01-03 Now in its 160th edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions

Safely Led to Serve Ian Southwell, Sonja Southwell, 2017-01-18 God promises to always guide and protect his followers and he also promised that through the power of the Holy Spirit some of these disciples would serve him by taking his message of salvation to the ends of the earth Acts 1:8 In *Safely Led to Serve* authors Ian and Sonja Southwell share their compelling journey as they join the active ranks of The Salvation Army as officers and allow God to use them as his messengers and servants Not only a chronicle of the highlights of their ministry a ministry that has taken them from life in Australia to serving God around the world their experiences help answer a number of central questions for the Christian walk How does God call people into service for himself To what extent is God faithful to his promises to his followers What is expected of a servant of God How can Christian parents and grandparents have positive influences on their family members What are the advantages and disadvantages of being involved in an internationally networked branch of the Christian church What advice for life could come from a couple of committed Christians approaching 50 years of marriage From Zambia to the Philippines and back to Australia and then to Korea China and some 19 other countries join Ian and Sonja as they demonstrate what it takes and what it means to dedicate a life to God's ministry and to be energized by his faithful promises of protection and guidance

With God on Their Side James Gardner, 2022-01-01 The Salvation Army is

nowadays viewed with fondness but William Booth's evangelical crusade of the 1880s and early 1890s sparked violent riots led by an opposition group the Skeleton Army. These riots caused destruction to property injury to many people and on occasion loss of life. Spreading across the South and West of England the Skeleton Army's aim was to eject Salvationists from their towns. Rather than facing repercussions themselves however it was often the peaceful parading Salvationists who were imprisoned. In *With God on Their Side* James Gardner follows the spread of violence in the context of the popular conservatism of late Victorian England with close study of particular towns creating a rich tapestry of historical narrative that will be of interest to scholars and enthusiasts alike. The motives and actions of both groups are considered along with the subsequent shift in the Salvation Army's focus towards social welfare. It is this shift that enabled the organisation to grow into the treasured charity we know today and helped transform William Booth from one of the most vilified men of the nineteenth century into its saint.

Saved, Sanctified and Serving Denis Metrustery, 2016-06-01 This comprehensive significant work on Salvation Army theology and practice is designed to help reinforce Salvationists' appreciation of their movement's rationale and mission helping to maintain and increase the Army's unique position within the Church and as part of global faith based responses to humanitarian need. The writers in this volume hold and proclaim a clear vision for the Army's future fully seizing contemporary opportunities while retaining the fire and zeal of the primitive Movement.

Asian Yearbook of International Law, Volume 28 (2022), 2024-12-02 Launched in 1991 the Asian Yearbook of International Law is a major internationally refereed yearbook dedicated to international legal issues as seen primarily from an Asian perspective. It is published under the auspices of the Foundation for the Development of International Law in Asia (DILA) in collaboration with DILA Korea the Secretariat of DILA in South Korea. When it was launched the Yearbook was the first publication of its kind edited by a team of leading international law scholars from across Asia. It provides a forum for the publication of articles in the field of international law and other Asian international legal topics. The objectives of the Yearbook are two fold. First to promote research study and writing in the field of international law in Asia and second to provide an intellectual platform for the discussion and dissemination of Asian views and practices on contemporary international legal issues. Each volume of the Yearbook contains articles and shorter notes a section on Asian state practice an overview of the Asian states' participation in multilateral treaties and succinct analysis of recent international legal developments in Asia a bibliography that provides information on books articles notes and other materials dealing with international law in Asia as well as book reviews. This publication is important for anyone working on international law and international relations.

This book delves into The Salvation Army Year Book 2015. The Salvation Army Year Book 2015 is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public.
