Hume Nisbet crafts an enthralling tale of high seas adventure and discovery woven through with the rich tapestry of pirate lore. The narrative marked by Nisbet's distinctively luxuriant prose immerses readers in a journey around an uncharted island concealed within the expanse of a great barrier reef. The progression of the plot characterized by meticulous detail towards maritime geography is reminiscent of the adventure novels of Robert Louis Stevenson, endowed with a flair for the exotic natural world. Nisbet's work resonates within the broader literary landscape by combining the spirit of seafaring adventure with a deep appreciation for the island's vivid setting and historical echoes of Captain Cook's voyages. Hume Nisbet, a painter turned author, brings a unique visual sagacity to his novel, infusing the text with the sensory details of the South Pacific. Drawing from his knowledge of the region's history and his own personal experiences at sea, Nisbet infuses the narrative with authenticity and dynamic vibrancy. The choice to involve Captain Cook's telescope in Joe's piratical escapades provides a tangible link to the historical age of discovery, aligning the novel with Nisbet's fascination for the bygone eras and the relics that endure into modernity. *The Land of the Hibiscus Blossom* stands as a captivating invitation to adventure enthusiasts and lovers of historical fiction. Nisbet's masterful depiction of the natural world combined with the thrilling escapades of his protagonist Joe presents a beguiling narrative that both enlightens and entertains. The novel is particularly recommended for readers who yearn for the allure of untamed landscapes and the thrill of maritime lore intricately threaded with historical significance.

**Shadow of the Red Dragon** Joseph Glionna, 2013-04 Military policeman Sergeant Joe Armandi was only nineteen but he was wise and experienced beyond his years. His classroom was the poor and tough neighborhood where he was born and raised. One lesson he had learned was simple but true: Evil to various degrees lives in everyone who walks on the planet, whether it is manifested by a simple hurtful word, the commission of a crime, a greedy thirst for some object or murder. Each individual since the beginning of time has experienced this truth. Trying to find himself after the tragic and untimely death of Joyce, his one and only love, which put an end to his life's dream, Joe found himself in South Korea as an undercover agent trying to discover the traitorous American soldier selling vital shipping information to hijackers, the Red Dragons, the largest, most violent and extremely successful criminals in South Korea. Using his talents and experience as a superior prizefighter, Joe infiltrated the gang whose leader Won Pak owned an illegal fighting arena. Joe made a lot of money for Pak and thus was cautiously accepted by him. After months of investigation, Joe still hadn't exposed the American traitor, but he had some strong possibilities. Joe knew everyone dies, and since Joyce died, he was ready for anything and feared nothing. Many attempts were made to seriously damage Joe's body, even torture and assassination was also tried more than once. All that mayhem ended after Joe stole a million dollar treasure that everyone wanted.
