Twelve-Cent Archie Bart Beaty,2017-05-31 For over seventy five years Archie and the gang at Riverdale High have been America s most iconic teenagers delighting generations of readers with their never ending exploits But despite their ubiquity Archie comics have been relatively ignored by scholars until now Twelve Cent Archie is not only the first scholarly study of the Archie comic it is an innovative creative work in its own right Inspired by Archie s own concise storytelling format

renowned comics scholar Bart Beaty divides the book into a hundred short chapters each devoted to a different aspect of the Archie comics. Fans of the comics will be thrilled to read in depth examinations of their favorite characters and motifs including individual chapters devoted to Jughead's hat and Archie's sweater vest. But the book also has plenty to interest newcomers to Riverdale as it recounts the behind the scenes history of the comics and analyzes how Archie helped shape our images of the American teenager. As he employs a wide range of theoretical and methodological approaches, Beaty reveals that the Archie comics themselves were far more eclectic, creative and self-aware than most critics recognize. Equally comfortable considering everything from the representation of racial diversity to the semiotics of Veronica's haircut, *Twelve Cent Archie* gives a fresh appreciation for America's most endearing group of teenagers. *Glimpses in the Dark* Kieran Marsden, 2019-11-04 A collection of stories each a glimpse into the dark. I have decided to make this book free. Due to its many mistakes, my next book will have a more professional finish.
