Historical Record of the Services of the (Oueen's Own) Corps of Guides ,1877 Wilde's WWW Erik Wilde, 2012-12-06 What is the difference between a URL and a URI How does HTTP fulfill its task Why do we need XML What is it and will it eventually replace HTML This book gives answers to these questions and a chore of others that may be asked by attentive inhabitants of cyberspace The book is of course not just a glossary of abbreviations and frequently used terms It is rather a comprehensive and still succinct presentation of the technology used in the World Wide Web It is surprising to note that even though hundreds of books have been published that discuss the Web there have been none so far to thoroughly explain the inner workings of this popular Internet application which is so simple to use and yet so complex when it comes to really understand what is going on inside The target audience of this book is perhaps best described by how it was first used by the author himself A draft version was chosen as the supporting text for a class of practitioners who attended a continuing education course on WWW technology These were people who knew what the Web is and how it may be used for business but needed to know how the technology works During the planning for this course the author found that no suitable book was on the market and decided to write one himself **Perchance to DREAM** Michael A. Olivas, 2020-06-16 The first comprehensive history of the DREAM Act and Deferred Action for Childhood Arrivals DACA In 1982 the Supreme Court of the United States ruled in Plyler v Doe that undocumented children had the right to attend public schools without charge or impediment regardless of their immigration status. The ruling raised a question what if undocumented students after graduating from the public school system wanted to attend college Perchance to DREAM is the first comprehensive history of the DREAM Act which made its initial congressional appearance in 2001 and Deferred Action for Childhood Arrivals DACA the discretionary program established by President Obama in 2012 out of Congressional failure to enact comprehensive immigration reform Michael A Olivas relates the history of the DREAM Act and DACA over the course of two decades With the Trump Administration challenging the legality of DACA and pursuing its elimination in 2017 the fate of DACA is uncertain Perchance to DREAM follows the political participation of DREAMers who have been taken hostage as pawns in a cruel game as the White House continues to advocate anti immigrant policies Perchance to DREAM brings to light the many twists and turns that the legislation has taken suggests why it has not gained the required traction and offers hopeful pathways that could turn this darkness to dawn Wilde Stories, 2011 Steve Berman, 2011 Celebrate a decade of gay speculative fiction with Wilde Stories 2011 This expanded volume from Lethe Press brings stories of undead lovers stranded astronauts ghosts and phantom reflections men lost in an inhospitable wilderness and fiends who hide under handsome veneers all written by award winning authors Laird Barron Richard Bowes and Joel Lane and fresh voices in the field Nick Poniatowski and Jeffrey Ricker No other anthology provides readers the widest variety of gay men men facing the
