Dear Mr. Brooks,

I would like to express my heartfelt thanks to you for giving me the opportunity to work at ABC Marketing. I really appreciate the time that I spent working with you, on both a professional and personal level.

And especially, thank you for choosing me to work on the new project and being in charge of an entire team. The challenge took me out of my comfort zone. I learned a lot about the unique aspects of business functions in the marketing industry, and I looked forward to coming to work every day.

I promise you that I will maintain this performance throughout my career in this organization and will never let you down. Once again thanks for everything.

Sincerely,
Julie Davis

Achieving Your Pinnacle: A Career Guide for Actuaries Tom Miller, 2009-05-12 Tom Miller recognized the need to write this book a few years ago after reviewing postings on popular discussion pages frequented by actuaries. He was surprised and troubled by the magnitude of misinformation posted on these websites. Clearly actuaries and actuarial students posting this information are only trying to be helpful to one another but they frequently lack the necessary experience and expertise to offer sound advice. Tom seeks to provide readers of his career guide with valuable insights regarding the actuarial employment market covering topics such as choice of product specialization, how to conduct effective job searches, switching successfully from insurance to consulting, and inside tips on what clients are really looking for when they interview you. Armed with deep knowledge and a unique perspective on the actuarial profession, Tom expects that this book will be a resource that will help you make better career decisions and achieve your pinnacle.
